1958 Awards Assembly Reveals Student Honors

Awards at McCallum ranged from national recognition to honors from McCallum's own organizations. In addition to those pictured on these pages, Jimmy Brown broke the state discus record and the district record for individual points scored in one basketball game. Leon Graham won state in poetry interpretation. The Royal Court Players and Future Teachers, sponsored by Mr. Jim Collins, brought the Valley Forge Award to McCallum for the second consecutive year to round out a long list of 1957-58 honors.

MHS Work Exhibited During Education Fair

Because of bad weather the attendance at the Education Fair was not what had been anticipated. However, the 96 exhibits representing every department were viewed by more than 500 impressed visitors.

A wall-sized mural effectively displays America's first line of defense.

Jennifer Griggs prepares a last minute poster for an exhibit in McCallum's education fair.

RCP Productions Rate High Praise

After working diligently for two months on the play "Antigone", the Royal Court Players journeyed to Waco to perform for the district contest. McCallum's district includes Temple, Waco, Austin High, and Travis. The Royal Court Players did a very fine job.

Glenda Rutledge dramatically flings out an arm, while *Eddie Branstetter* and *Joe Pulkrabek* watch, during the amusing spring Royal Court Players production of "You Can't Take It With You."

Members of the Royal Court Players are shown in scenes from "Antigone," their contest play. Left: *Betsy Burba* is seated demurely as *Leon Graham* glares at her. Below: *Betsy Burba* and *Charlotte Griffith* discuss their problems amidst scenery representing old Greece.

Judy Ziller, Rosemary Cochran, Charlotte Heath, Shirley Foster, and *Irene Hughes* enjoy the fried chicken served at the Blue Brigade picnic held at Birdwell's Camp.

From the heaping platefuls of food, it is obvious from whence cometh the boundless energy of the Blue Brigaders.

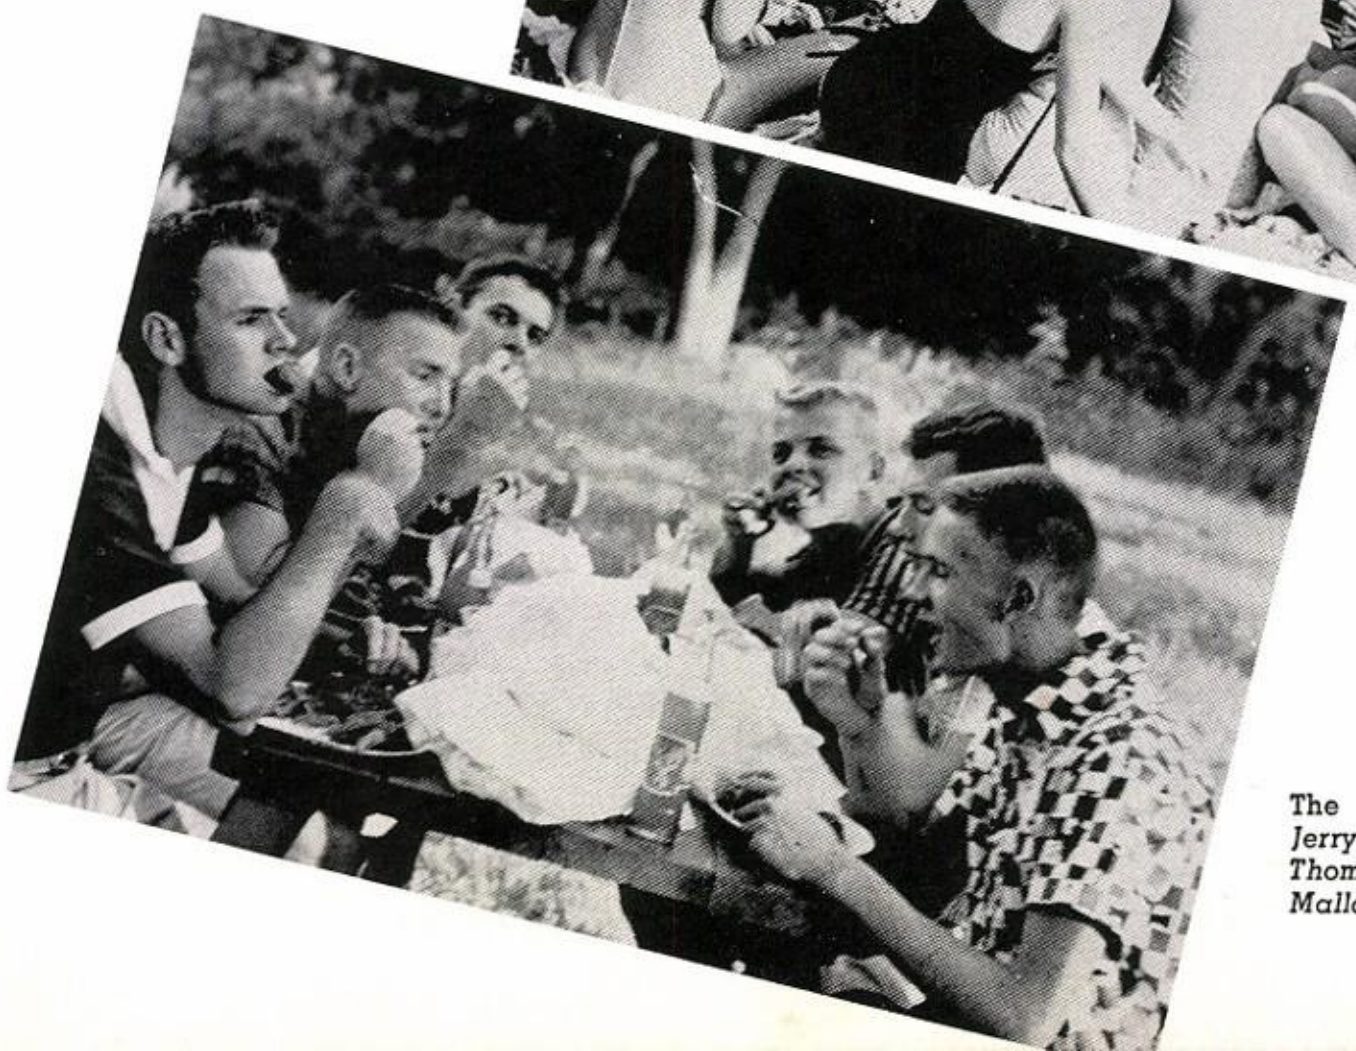
Even bad weather could not thwart the bathing beauties of the McCallum sophomore class at their picnic at Northwest Swimming Pool.

1958 Spring Activities Come to End at Pools

Seeking relief from the May heat wave, sophomores, juniors, and Blue Brigaders took to the parks and pools. In addition to the relaxing effects of water and sun tan oil, the picnickers enjoyed chicken--fried or barbecued. Crashing the parties, mosquitoes and bugs added to the general holiday spirit.

Jean Ann Oliver, Ann Davis, Ann Lambdin, Sondra Marshall, Emily Ford, and *Marla Turner* are caught cooling off in the Northwest Pool at the junior class picnic.

This group of pretty McCallum Juniors are enjoying a new version of the game concentration---"Who stole the cookies from the cookie jar?"



The expressions of *Darryl Cokendolpher, Jerry Squyres. Lewis Smith, Cecil Thompson, Vance Huckabay,* and *Gene Mallard* show that the food must be good.

Nets, Treasure Chests Transform Cafetorium

Getting into step with Spring, the annual Coronation Ball used an underwater theme. As a result of the efforts of the hard-working Student Council, the cafeteria was transformed into a true "land under the sea." The fish nets, sea weed, mermaids, and treasure chests added to the deep sea atmosphere. The entertainment was presented on the stage which resembled a gigantic aquarium. It was one of the most unusual and most successful dances ever held at McCallum.

Among the couples who found dancing underwater to their liking were *Ray Wisdom* and *Lynn Lamar*.

New Members of NHS Inducted at Banquet

The new candidates elected to membership in the National Honor Society were made known at an assembly held especially for that purpose. These new candidates were inducted into the organization at an initiation banquet held at the Driskill Hotel. There the NHS emblem and what the NHS stands for was explained more fully to the candidates. They then pledged to uphold these principles and to be truly mindful of their duties in the fields of service, leadership, scholarship, and citizenship.

Brown, Williams, Turner Lead Thinclads to Records

McCallum's track team participated in eight major meets. In Alice, Jimmy Brown placed first in discus with 161 feet, 2 inches and second in shot; David Turner won the high hurdles in 15.5 seconds and took third in the high jump at 5 feet, 8 3/4 inches; Johnny Williams placed third in shot with 50 feet, 2 inches. McCallum's 28 1/5 points ranked it fourth behind such track powers at Ray, Miller, and Brackenridge.

At the Victoria Invitational, Williams beat Brown in the shot put with a 51 foot, 3 inch heave--a meet record; Brown won discus.

The Intracity Meet placed the Knights second to SFA. Brown broke two records: discus, 158 feet, 2 inches and shot, 54 feet, 4½ inches; Williams took second in both these events with his top distances for the season: 53 feet, ½inch in shot and 151 feet, 6 inches in discus; Turner tied for first in high jump with 5 feet, 9 3/4 inches and took second place in pole vault, high hurdles, and low hurdles.

In district Brown broke both discus and shot records with 164 feet, 5 inches and 53 feet, ½ inch respectively; Williams took second in both events; Turner placed first in high jump at 5 feet, 10 1/8 inches, first in pole vault at 11feet flat, and third in both hurdle events.

In regional Brown again set records with a 55 foot, 6½ inch shot put and a 166 foot, 81/4 inch discus throw; Williams placed second in discus; Turner's 11 foot, 4 inch pole vault rated a third place, just short of qualifying him for state.

In the San Antonio Invitational Brown upped his shot put record to 55 feet, 10 3/4 inches, and placed second in discus; Williams placed fourth in both events.

In the year's climax, State Meet, Brown threw the discus 174 feet, 8½ inches--beating the 170 foot, 10½ inch record set in 1949.

Although others contributed, these three carried the load for the Knights in 1958.

Class of '58 Bids Farewell With All-Night Party.

The senior all-night party, the last school activity for the class of '58, held for some rejoicing and frolic; for others, moments of quiet contemplation.

Clockwise from upper left: Early in the evening *Jo Faris* and *Lee Mayfield*, and *Allan Rogers* and partner set a lively tempo-perhaps a bit too lively a tempo for *Madelyn Rudolph, George Millard. Merle Moden*, and *Joy Arnold*, seen in the next picture.

We may wonder what "nature boy" *Bob Young* is doing in this picture, but dancers *Richard Karotkin* and *Lonnie Smith* don't seem to mind.

As the night wore on, feet and spirit at last began to wear out.

Then came the "Ideals," *Chuck Joyce, Jeff Rampy*, and *Jerry Squyres* who gave new life to the party--enough new life, in fact, to encourage *Archie Bratton, Ronnie Baker, Wales Reese, Sam Birkner*, and others to take a last plunge in the pool.

Center: For a senior *Jimmy Ottman* and his date *Kay Coleman* and for *Mack Hickman* and *Emily Ford*, the senior party was not likely the last fond farewell.

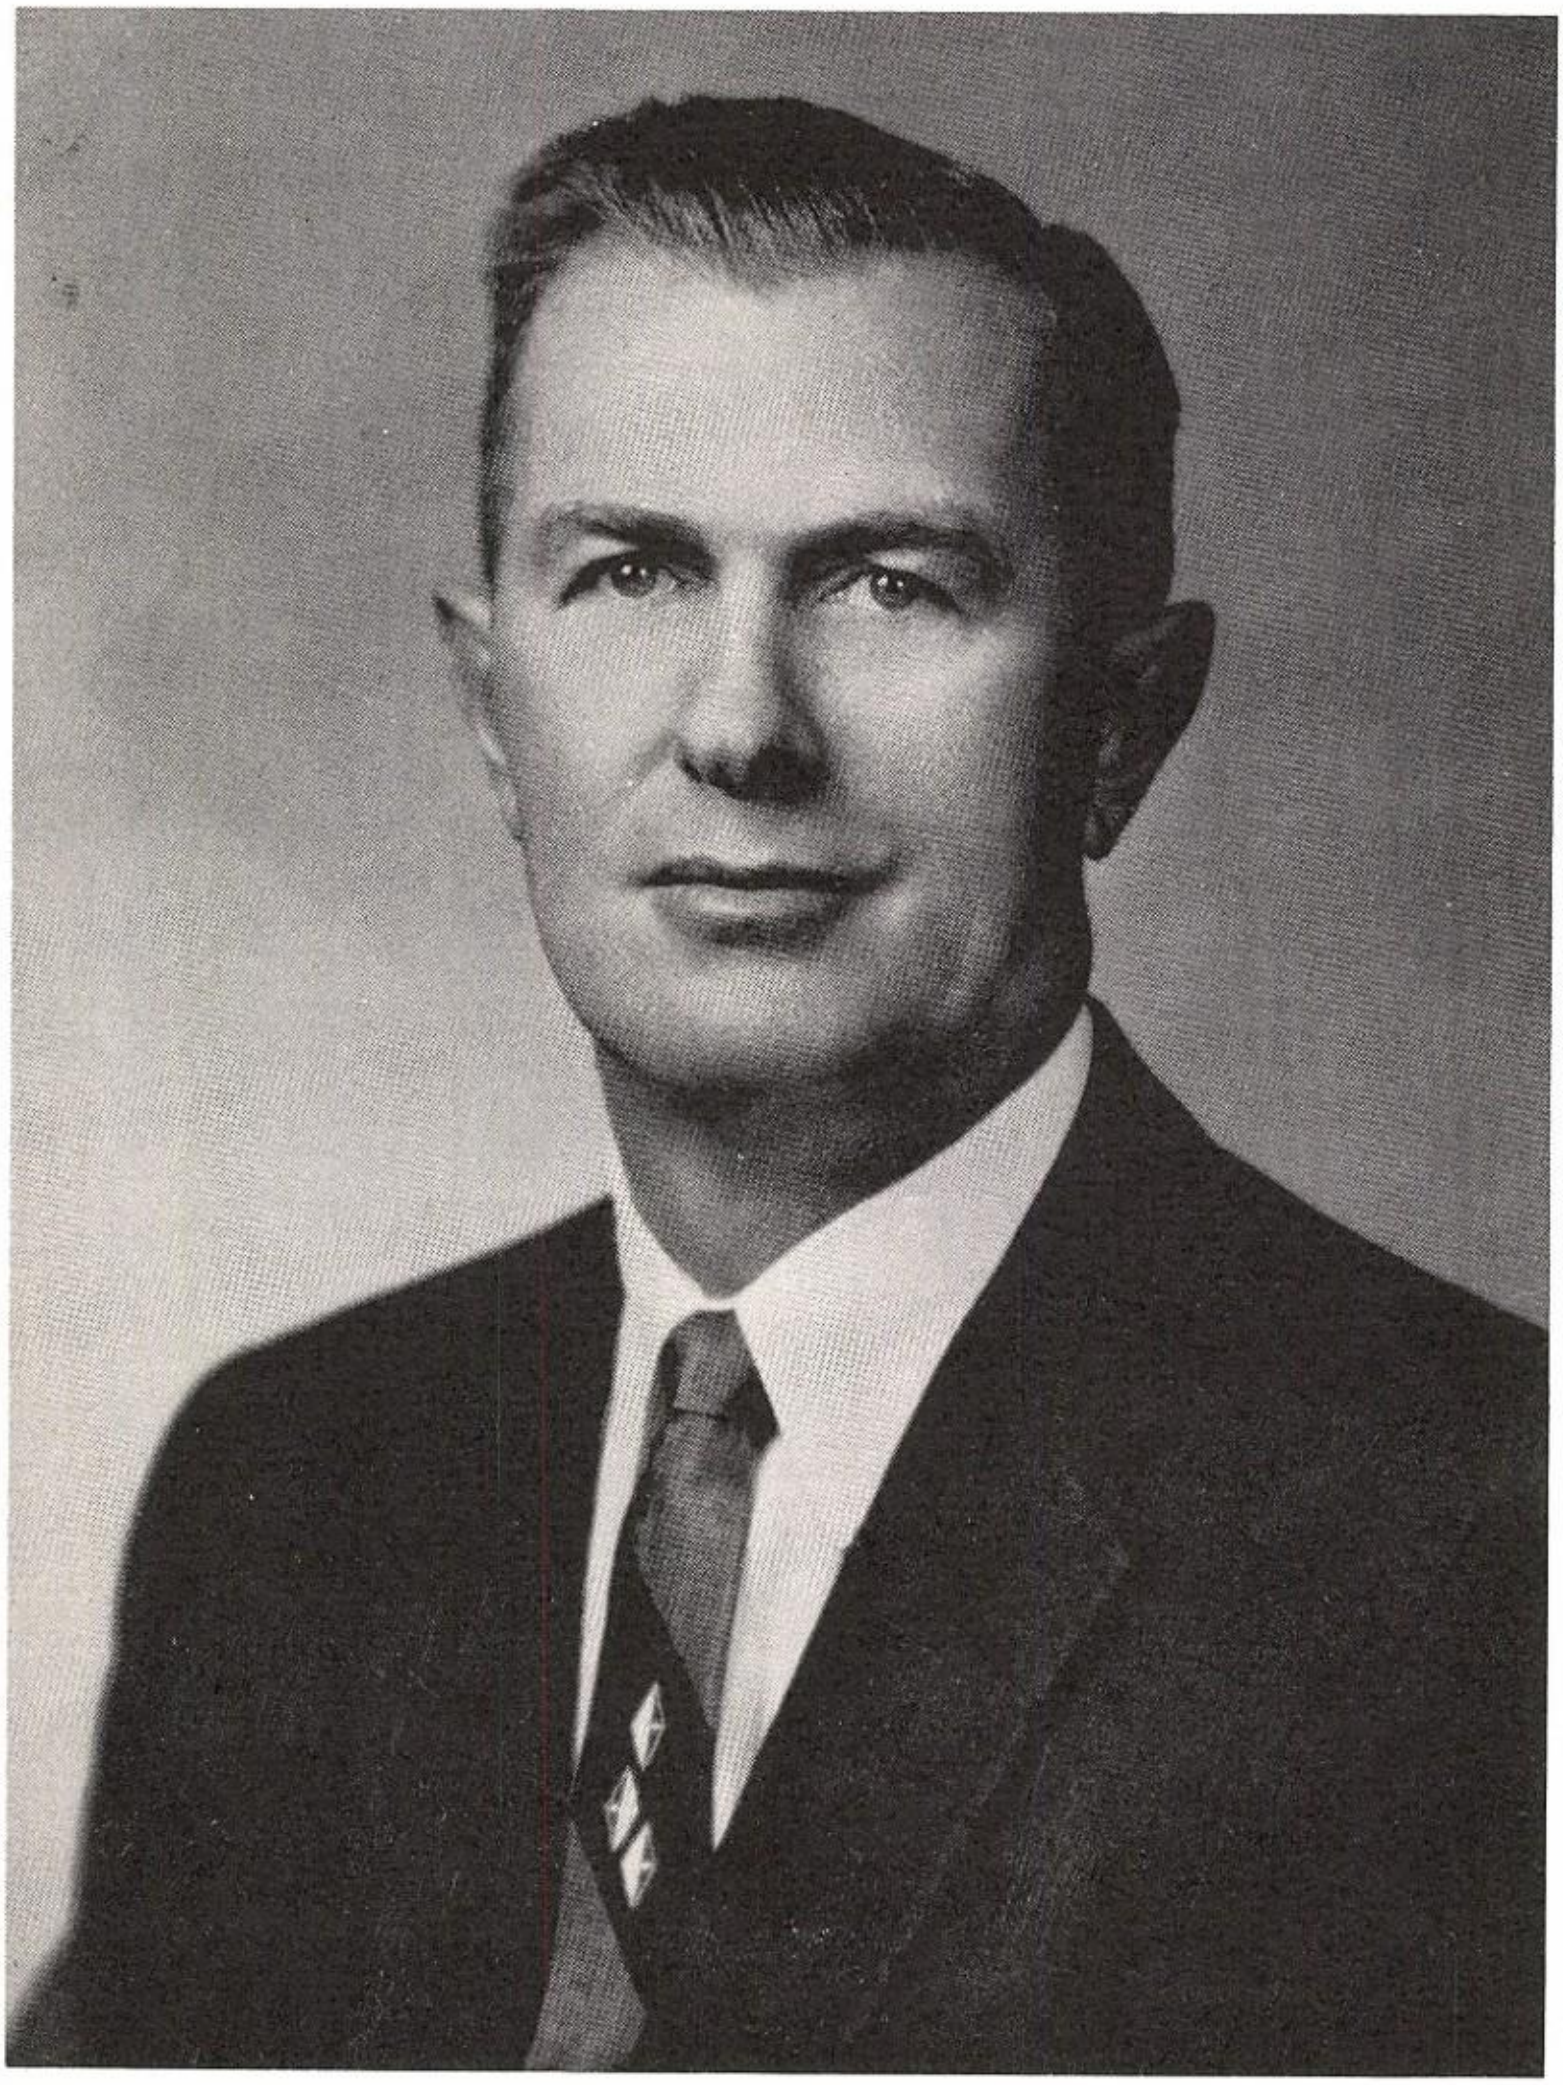
Stirring music--
whether the shrilling of a bagpipe
or the solemn tones of "McCallum Knights"--
calls the clan together and binds it
to a common purpose.

Dedication

Who is one of McCallum's biggest boosters--of both students and the school? Who never misses a home football game--even in near-freezing weather--and seldom misses any other athletic contest or social event? Who attends to such varied duties as issuing books to teachers, scheduling use of rooms and supervising the work of custodians--yet manages to come through it all smiling? Whose understanding of young people makes him a highly regarded dean of boys? *Mr. Roy Coers,* obviously.



In packing all these and unnumbered other acts into the job of being vice-principal of McCallum, he has won students and staff. For this reason the 1958 *Knight* staff offers Mr. Coers its thanks with this book.

Many Students Begin Work Before Opening Day

Although the school year of 1957-58 actually began at 8:30 on September 8, school activities began for a large number of McCallum students on earlier dates. The Blue Brigade, the cheerleaders, the band, and the football team spent many long hours in preparation for coming events.

SC Elections Feature 4 Nominees, New Rules

This year for the first time president and vice-president ran as a team. Though the teams of *Charles Betts* and *DeeDee Williams* and *Sam Kinch* and *Harry Akin* ran together, the students could vote a split ticket and did so, electing *Charles Betts* as president and *Harry Akin* as vice-president.

Sam Kinch: "The most important thing we can do is to keep the Student Council a representative organization, presenting the views of the students who elected it."

Harry Akin: "If the representative does not vote according to the wishes of his advisory, the student council is not accomplishing its intended purpose."

DeeDee Williams: "The Student Council is as important to the student body of a school as the democratic government is to the people of our country."

Lots of Spirit is Prelude to Victoria, Temple Games

During the two weeks between October 21 and November 1, McCallum school spirit reached an unknown peak. The halls rang with unexpected pep rallies, and in every way the student body showed its full support of the football team. On October 25 the band, Blue Brigade, and student buses traveled to Victoria; on November 1 they made another bus trip to Temple.

On Thursday, November 7, the P-T A conducted its annual Back-to-School Night when the parents change places with their student sons and daughters. 'Suds in your Eye' Marks Press Capades Rejuvenation

Press Capades, an annual event of state-wide fame for the past four years, was not scheduled for this year because of the tremendous amount of work, time, and expense involved, but through the efforts of *Mr. Jim Collins* the Royal Court Players, *Miss Norma Barber*, and the *Shield* staff, we again had an entertaining Press Capades. As the curtain parted at 8 p.m. on November 15 and 16 "Suds in Your Eye" was presented to enthusiastic audiences. The three-act comedy revealed the antics of three women in a junk yard.

Postcards, Slogans Lead Knight Spirit

Around school, spirit and the cry of "Beat Austin" echoed through the halls of MHS for the entire week preceding the game. Pep rallies, a dance, a bonfire, and the sending of around 500 "Beat Austin" post cards to the team left the students full of pep and ready to meet Austin High.

The chilly morning hours found a large group of enthusiastic McCallumites gathered noisily about the cheerleaders in a sunrise pep rally.

Despite the drizzle and cold, McCallum's fifth bonfire sprang to life and lit the faces of countless Knights there to witness it.

Freezing winds and drizzle left many McCallum supporters with stiff fingers and toes and cold noses. The Knight football players caked with wet mud from the field, attempt to keep warm by using a rented garage heater at the last game of the season.

Pageant Portrays

Blue Brigade's Efforts Produce 'Fascination' Ball

Fascination, the annual Christmas formal, was presented by the Blue Brigade December 14. Brigaders spent hours Friday and Saturday making and glittering stars, whitening and trimming trees, and raising an enormous gold *Fascination* at the back of the cafetorium. When evening brought them white and gold, star-splashed enchantment, they felt rewarded.

The Spades, a trio of sophomore girls, and pantomimists *Ken Nitsche* and *Gary Lawson* participated in the floor show. Following a brief return to dancing, the couples, like Cinderella, left at midnight.

Martha Godbey, the Blue Brigade member who sold the most tickets, beams proudly as she exhibits the bracelet she was awarded.

December Finds McCallumites Busy

Early December finds students not only busily shopping for the coming holidays, but also involved in a number of other activities. Members of the publications staffs scurry off to Denton for the Texas High School Press Association Conference, and seniors seek advice in planning their final semester of high school.

Staffers Attend Publication Party

The annual Christmas party of the publications staffs was held in the home of *Sam Kinch* on December 18. Gifts ranging from roasted caterpillars to false eyelashes were exchanged during the festivities. After refreshments, the two staffs caroled the neighborhood.

The staffs of the *Shield* and *Knight* enjoy the unusual gifts received at their Christmas party held at *Sam Kinch's* house.

Past and Future Is Theme of BB Banquet

Climaxing the busy fall semester of Blue Brigade activities is the yearly banquet. Held this year in the Maximillian Room of the Driskill Hotel, the banquet was highlighted by an entertaining skit "Yesterday, Today, and Tomorrow." Another focal point was the presentation of the Service Award to *Martha Godbey*. In addition to the presentation of bracelets to the officers *Dee Dee Williams, Judy Gwaltney, Marisue Schwartz, Joan Borden, Scarlett Frazier,* and *Jane Colley,* the Blue Brigade gave ***Mrs. Frances Brougher***, their sponsor, a blue car-coat.

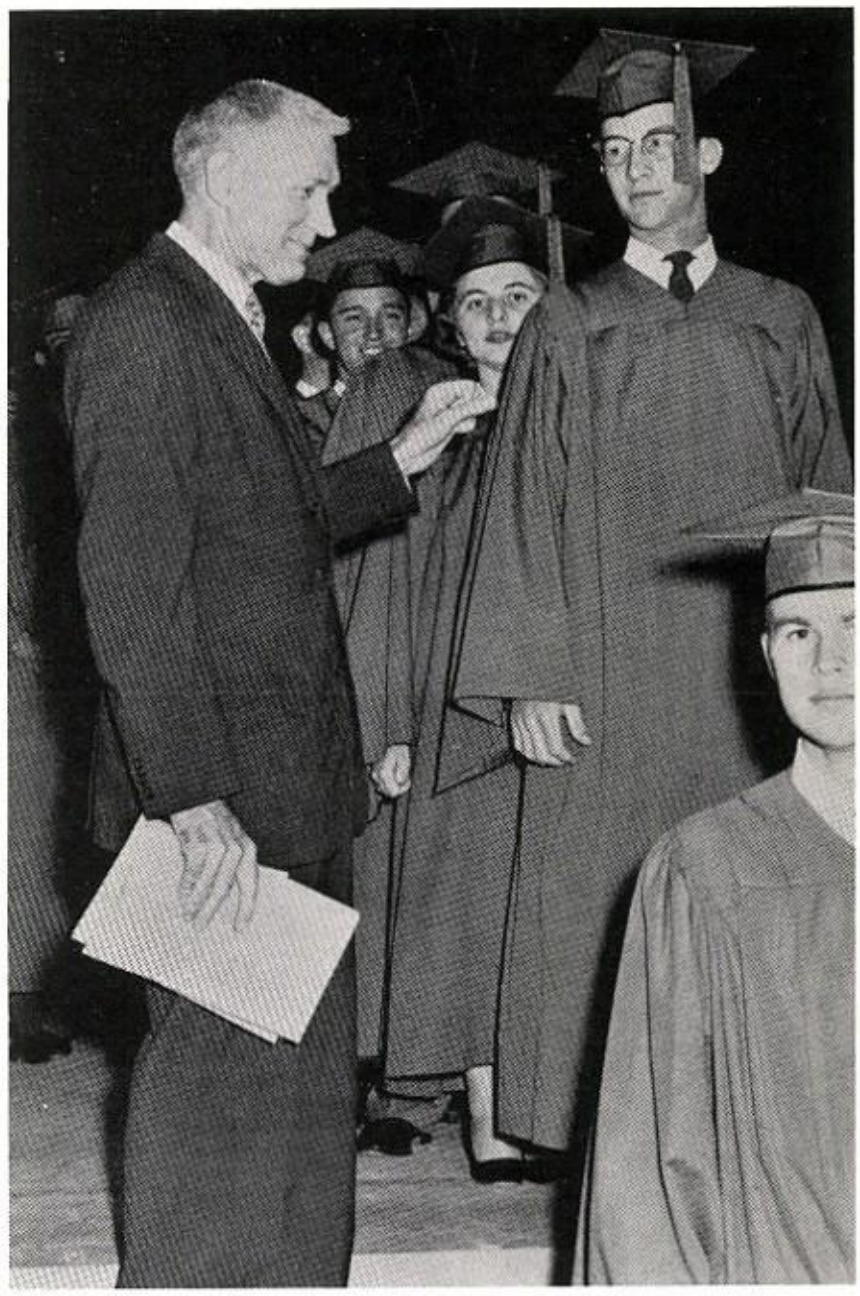
12 B's Bid M H S Farewell In Mid-Term Ceremonies

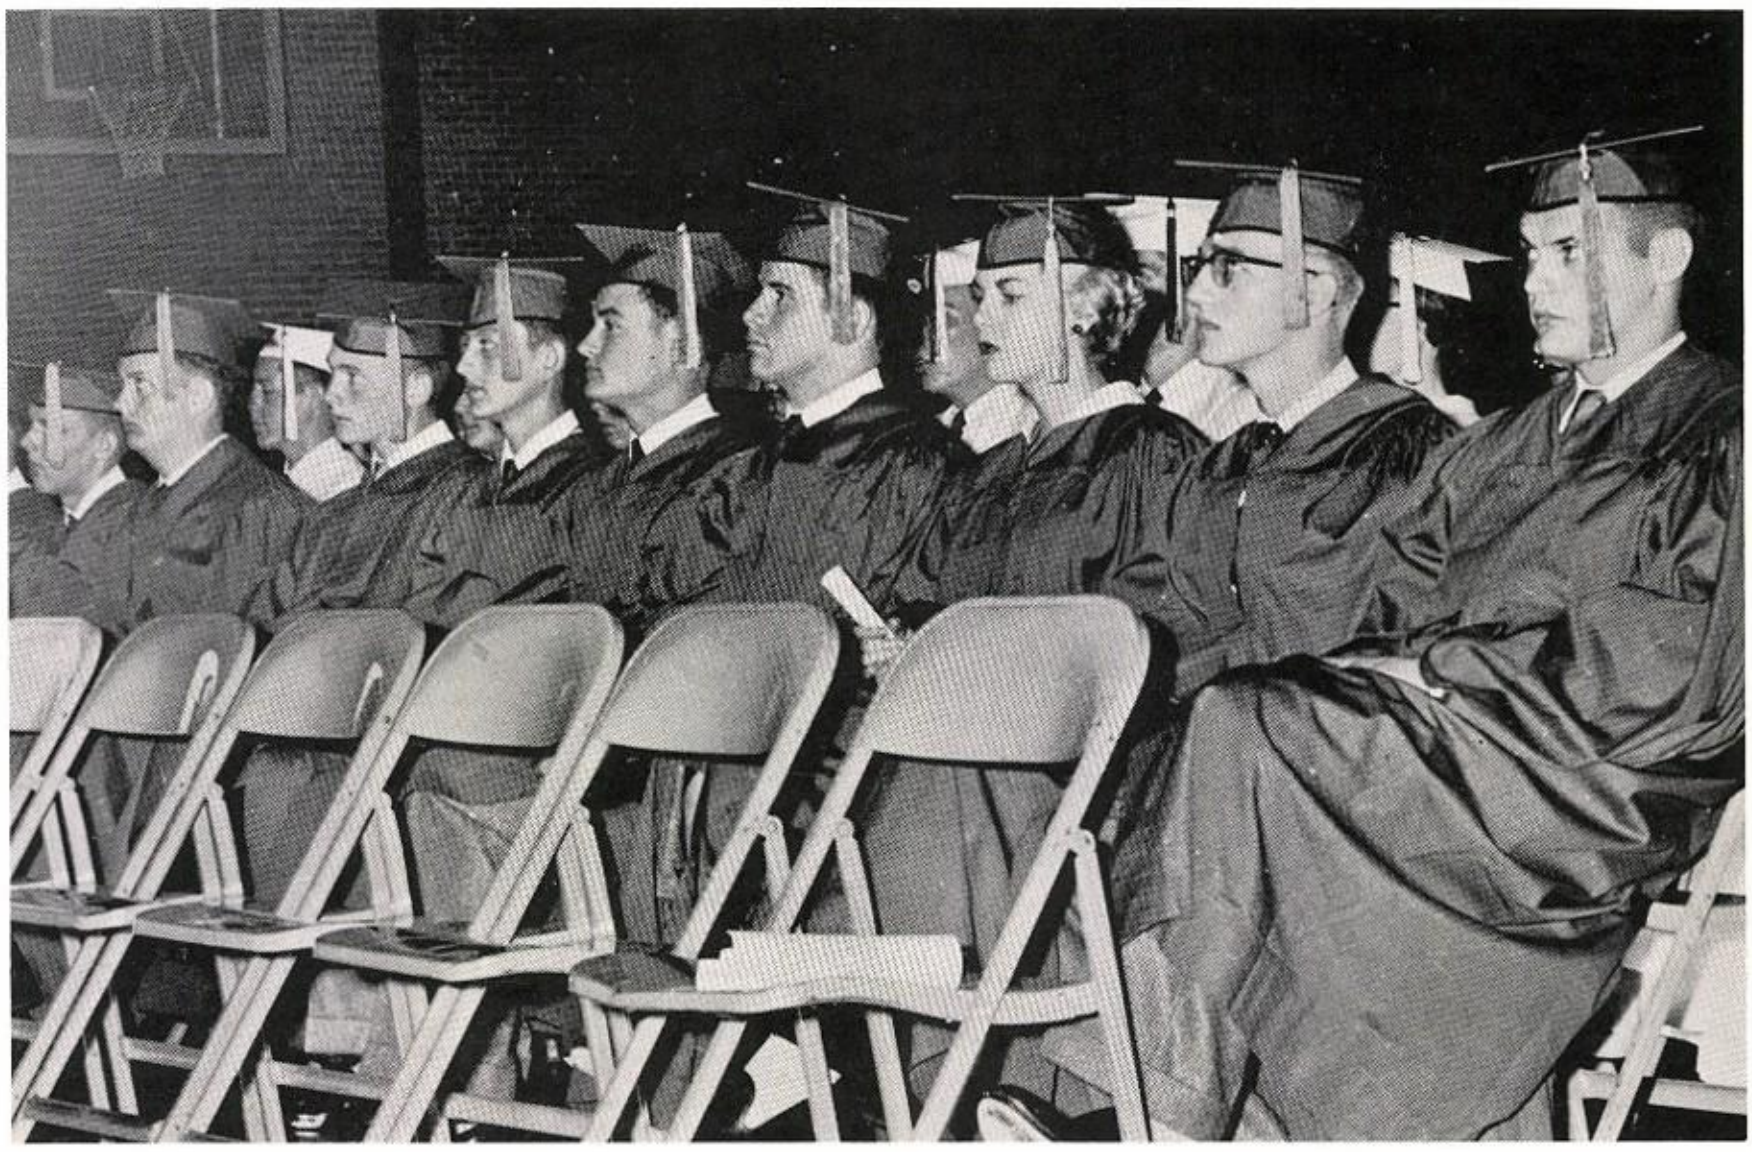
Students of the largest 12B graduating class in McCallum's history graduated on the evening of January 29, 1958. The commencement exercises were held at 8 in the William B. Travis gym with the Austin high and Travis high 12B graduates. McCallum graduates were guided and assisted by their advisor, Mr. Guy Bizzell.

This year the mid-term class was really an active part of McCallum High School, not a group set off to itself. The 12B's contributed much to their school and were nominated for many honors; for example, *Marion Thiem* was among the top five boys vying for the honor of Friendliest Boy in McCallum High School, *Sam Spangler* was nominated for Senior Class Favorite, and *Carol Cason* was very active in the Royal Court Players and the Future Teachers of America.



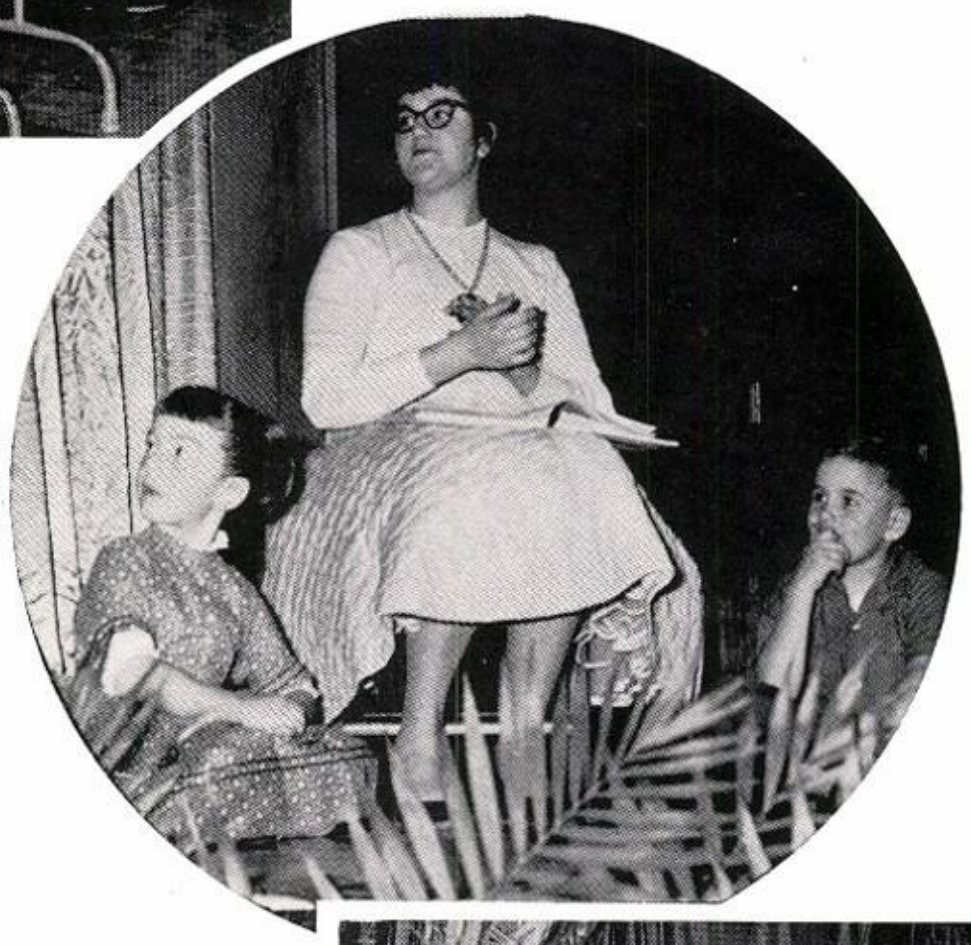
Mr. Guy Bizzell gives *Eugene Hagood, Joe Grona, Billie Ann Garner, Paul Crider* and *Bobby Arlich* last minute instructions as they enter the auditorium.

Raymond Henry, William Howe, Robert Martin, Jack Pelath, Durwood Phillips, Tracy Roberts, Sylvia Rogers, Stanley Shelnutt and *Sam Spangler* sit with intent expressions as they listen to the graduation speaker.



Beauty Revue Retells Story of "Cinderella"

Set to the theme "Cinderella" the 1958 edition of the McCallum Beauty Revue was one of the most successful and well attended that McCallum has ever had. Judging for the contest had been done the night before the actual showing by a panel of judges selected by the annual staff. Class favorites and members of the Who's Who for 1958 were presented during the intermission. Climaxing the evening was the presentation of the most beautiful girl and most handsome boy.



On Thursday evening *John Bustin, Mrs. Riddle, Dr. Kelly Fearing, Ann Bridges,* and *Walter Barnes* judge the twenty-seven McCallum beauties to determine McCallum's Most Beautiful Girl.

Cathy Small and *Craig Van Dyck* watch spellbound as *Victory Van Dyck* unfolds the story of Cinderella as the theme of the 1958 Beauty Revue.

Amid the applause of a proud audience, *Jimmy Brown* and *Sylvia Irwin* are announced as Senior Class Favorites.

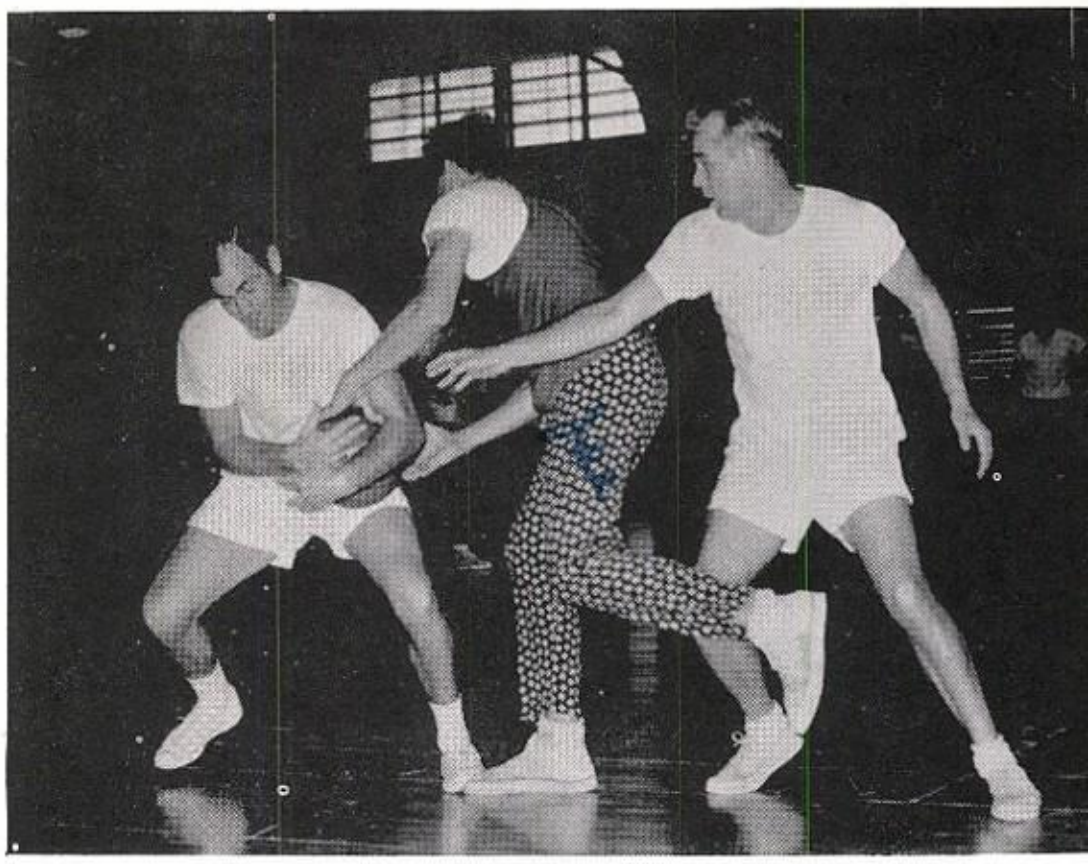
The presentation of Who's Who followed the announcement of class favorites. Pleased recipients of this honor, *Lee Ray Basore, Harry Akin, Ethel Mae Beal, Charles Betts, Rosemary Cochran,* and *Jane Colley,* stand together on the stage as the remaining names are announced.

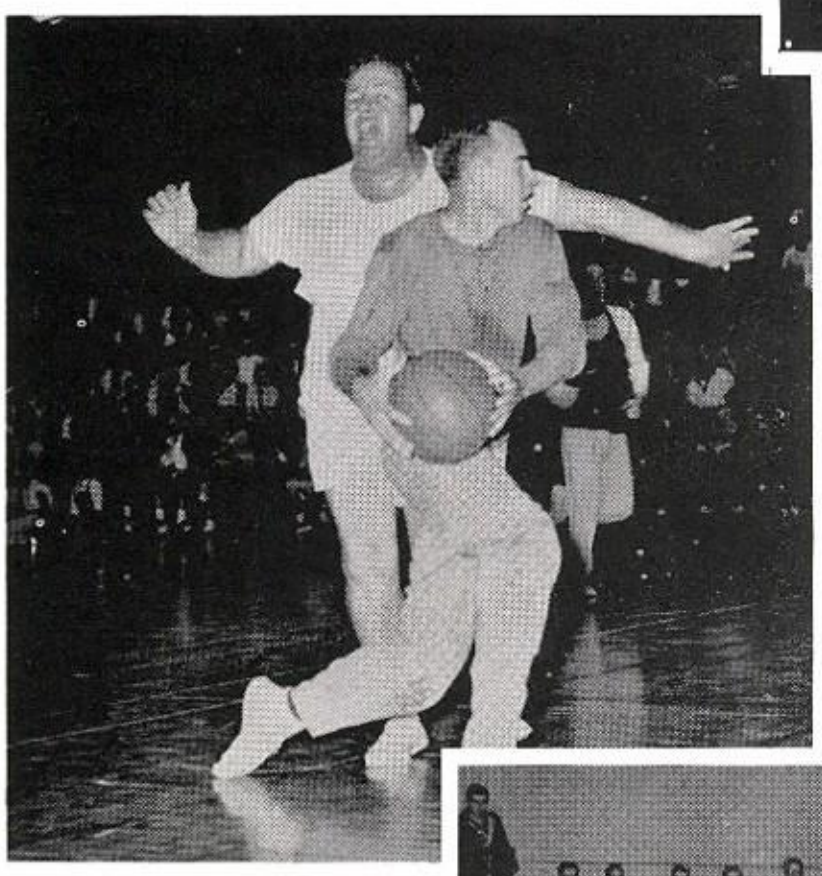
After Who's Who and class favorites were announced McCallum's twenty-seven most beautiful girls were presented. *Mary Helen Thomas,* sophomore beauty, smiles delightedly, and *Ann Lloyd,* junior beauty, looks gracefully poised.

Climaxing this year's Beauty Revue was the presentation of *Claryce Smith* as the Most Beautiful Girl in McCallum and *Bob Young* as the Most Handsome Boy.

Riotous Game Makes School Day Bright

Wednesday, February 5 brought gales of laughter. McCallum's annual student-faculty basketball game was staged for a larger-than-capacity crowd eager to see the game. Tactics never seen before by the spectators and unseen by the officials cheered a dreary morning for the audience.





"Muscles" Munson and *"Bulldog" Bennett* use underhanded tactics to steal the ball from *Joe Salahi.*

"Flying Dutchman" Kline appears to be living up to his name as he bounds into *Henry Dunn.*

Walter Wyman uses a "helping hand" as he and *Mr. Bennett* leap for a tie ball.

Assemblies Prepare Knights for College

Hundreds of students each year don't attend college because of the lack of finances. This year in McCallum several assemblies were held solely for the purpose of acquainting students with the scholarships available to high school graduates. These assemblies were well attended and many MHS students applied for scholarships to colleges all over the state.

Midshipman *James Adkins* of the Annapolis Naval Academy tells of the qualifications for entrance to the academy.

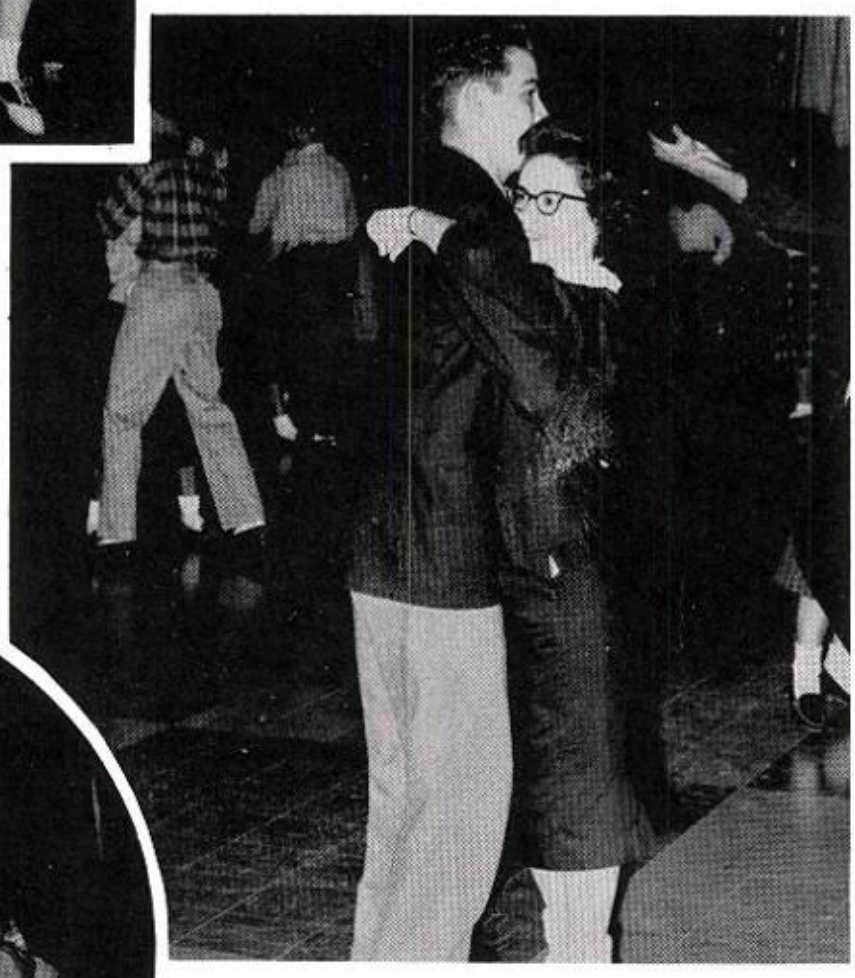
Mrs. Odelle Cody explains to a group of sophomores, juniors, and seniors just exactly what a scholarship is.

Tension Rises in Waco Game -- Fades in After-Game Dance

As McCallum's hustling Knights were ranked high in the district race, a high point in the basketball season came with the Waco-McCallum game in the McCallum gymnasium. In the closing minutes *Jimmy Brown*, tall senior letterman, broke the current district scoring record by marking up 39 points.

In order to raise money for scholarships given by the student council, the council sponsored an after-game dance. All Waco students and McCallum students were invited to attend. McCallum's new singing group, the Sharps, entertained with a floor show.

Scarlett Frazier, Joan Borden, Dee Dee Williams, Judy Gwaltney, Glenda Rutledge, Gayle Steger, Ann Lambdin, and *Barbara Allen* wait tensely as *Jimmy Brown* attempts a free throw to break the district scoring record.



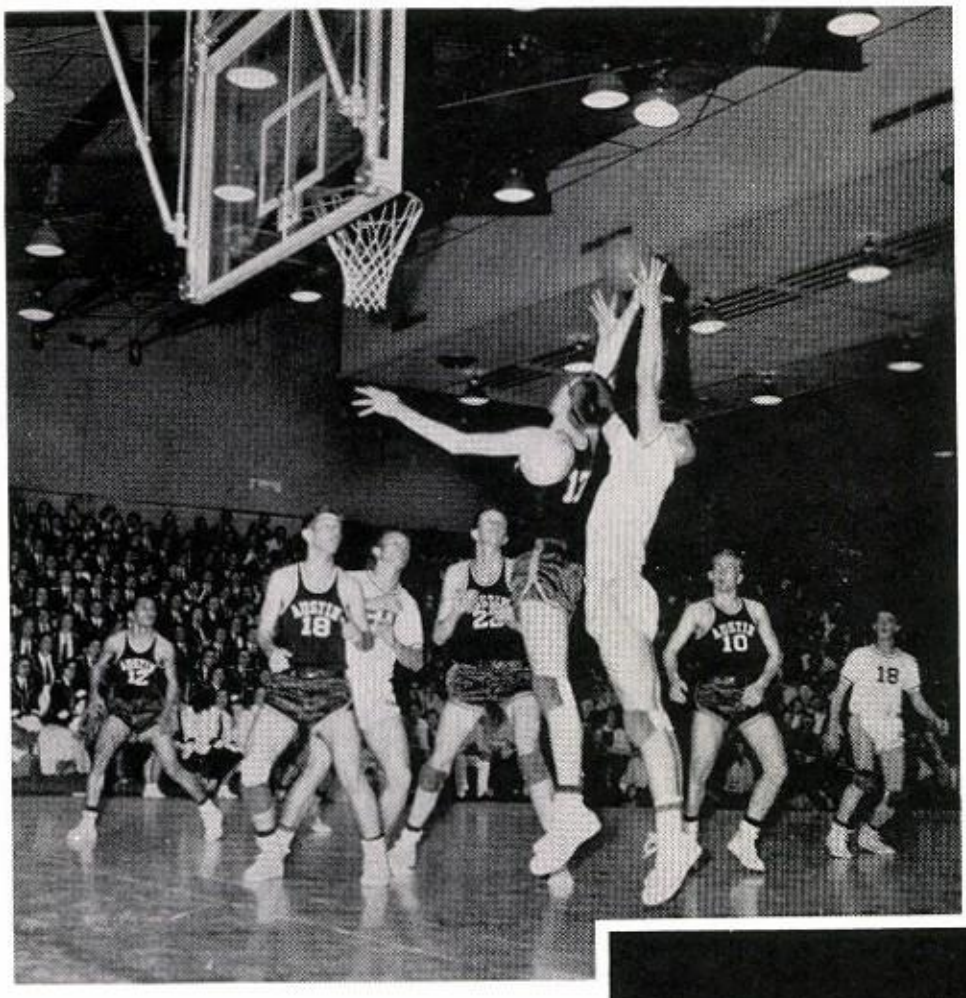
Karl Blomquist and *Polly Allison* are among the couples at the dance that followed the Waco game.

Becky Lee seems to be enjoying the evening as she dances with ex-McCallumite *Jimmy Doherty*.

Jerry Squyres, Barbara Hamilton, Chuck Joyce, Angela Curlee, George Millard, Madeline Rudolph, Joy Arnold, and *Merle Moden* strike many different poses as they take time out for conversation at the after-game dance.

Exuberant Knights Long Remember Austin Game

The McCallum-Austin High Basketball game was one of the most exciting ever played in McCallum's history. The gym was so packed that half of the screaming crowd had to watch the game standing up, but it really didn't matter since thrilled spectators were too excited to sit down anyway. Even though the outcome of the game didn't keep Austin from winning district, the game was a great victory for McCallum and will be long remembered by the team, *Mr. Frank Rundell,* and those to whom it meant so much.



Ollie Shipley and *Jimmy Brown,* top contenders for the highest district scorer position, leap for a rebound.

The team was so happy that they could not contain their emotions. They bounded onto the court to congratulate each other.

Blue Brigaders and McCallum students were so excited that they didn't know whether to laugh or cry.

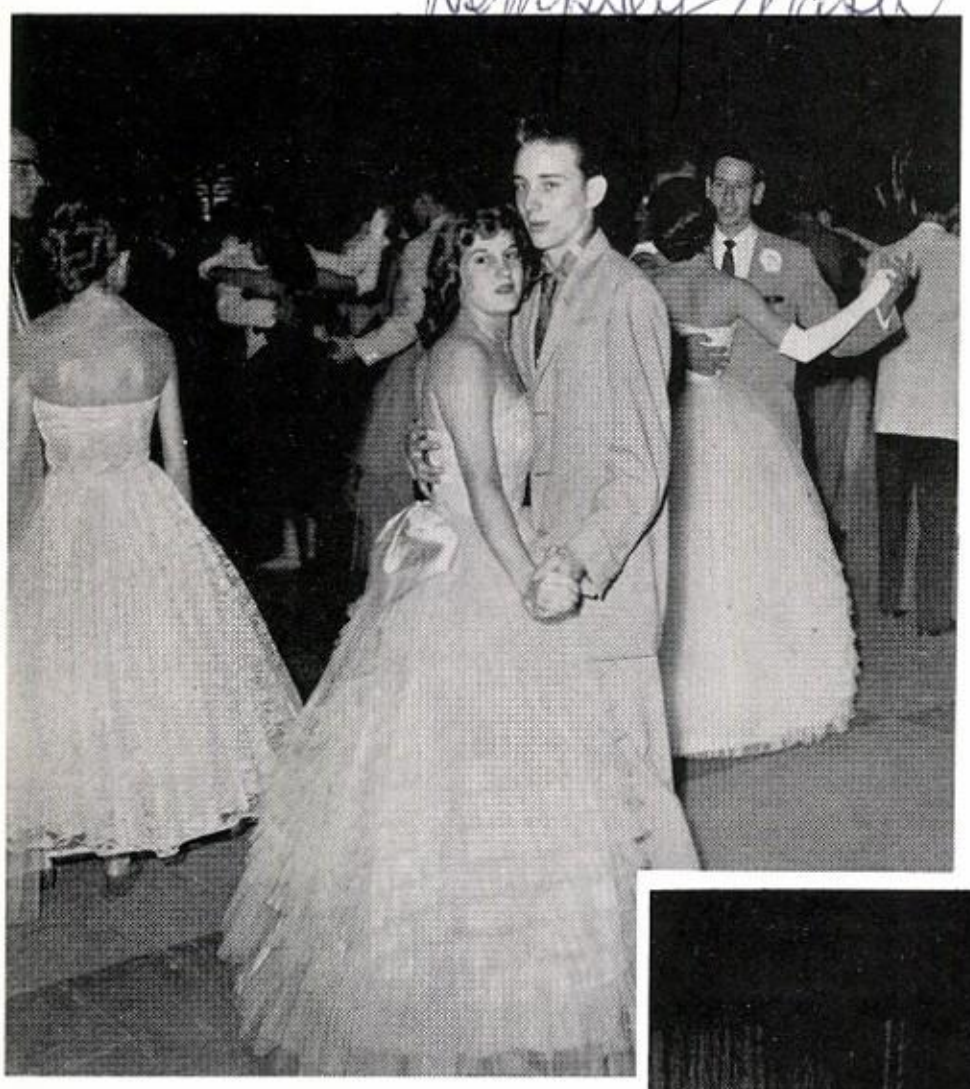
After the presentation of the sixteen Queen of Hearts nominees, *Scarlett Frazier,* escorted by *Pat Davis,* was announced as the 1957-'58 Queen of Hearts and was presented with a heart-shaped nosegay of roses and carnations and a locket.

RCP's Sponsor 1958 Queen of Heart's Ball

McCallumites celebrated Valentine's Day on Saturday, February 15 at the Queen of Hearts Ball in the McCallum Cafetorium. The Royal Court Players, who sponsored the dance, decorated to the theme of "Valentine by Candlelight." Couples sat and talked at small tables with red-checked tablecloths; a beautifully decorated valentine of lace and foil decorated the back wall; a glimmering chandelier hung from the center of the ceiling. Highlighting the evening of dancing by candlelight was the presentation of the Queen of Hearts. The floorshow provided entertainment by McCallum's own Sharps. At the stroke of twelve the candlelight faded and so was ended the Queen of Hearts Ball for 1958.



Helen Sunburg and *Dempsy Nash* dance among the crowd of couples attending the "Valentine by Candlelight" formal dance which was sponsored by the Royal Court players.

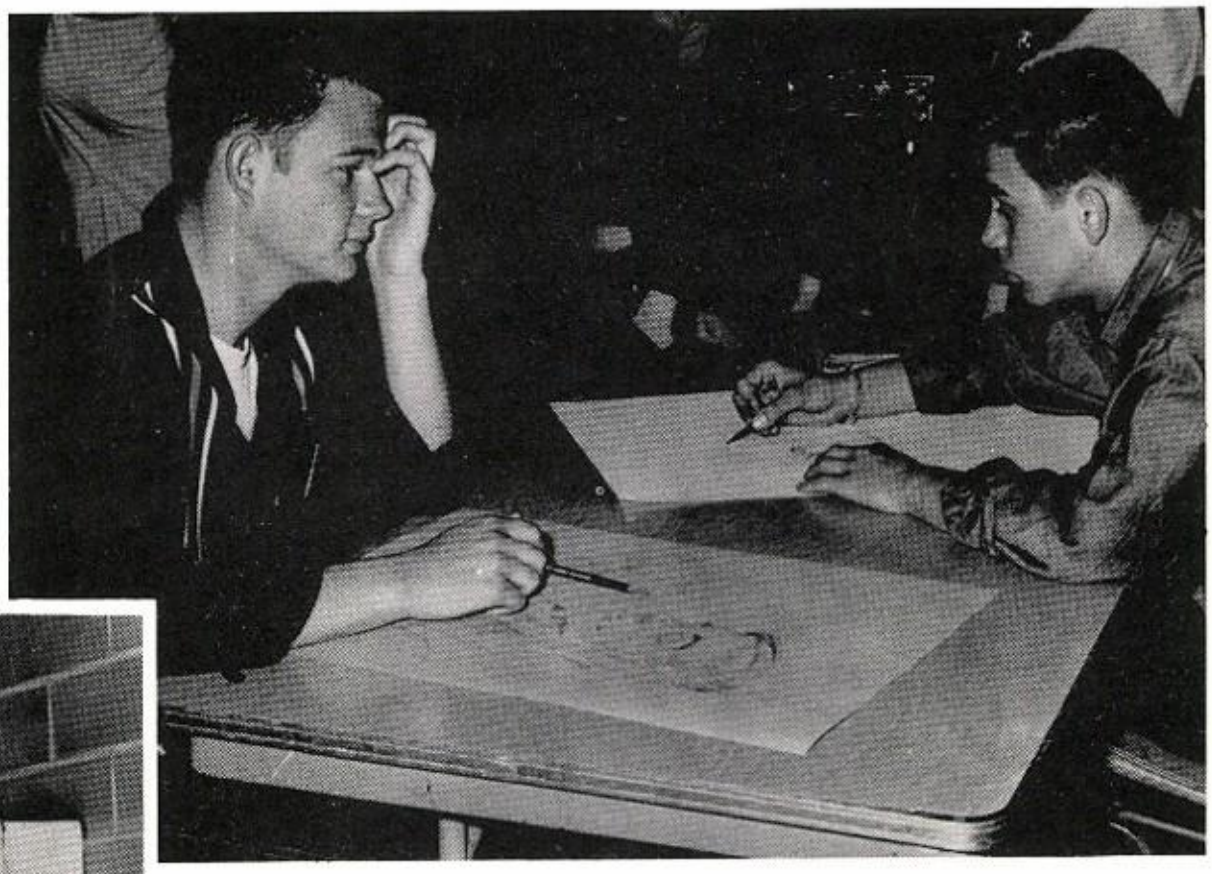
Bob Young and *Jean Ann Oliver* dance dreamily as *Mike Boswell, Ann Moore, Tommy Powell,* and *Tennie Holleman* talk in the background.

Robert Pinkston and *Bobbie Neil Roper* share a moment of mirth with *Jimmy Shafer* and *Nancy Pugh.*

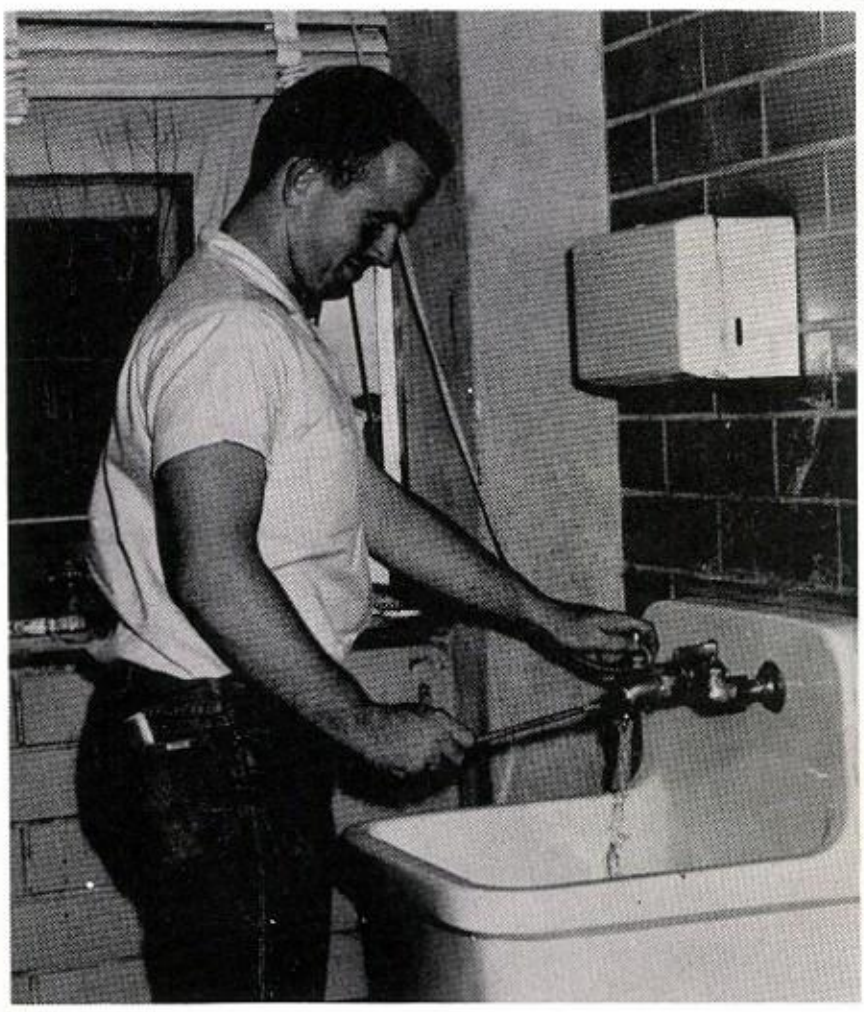
Knights Learn Technique of Art

Art is a fascinating study as many young Knights are learning. The study of art begins with the basic principles of color, line, and shading, and it advances into complicated portrait painting and abstract technique. The student soon learns to observe line and balance in everyday things and develops an appreciation for compositions of harmonious color and rhythm.

Intent and interested, students in one of Mrs. Benbow's art classes study the bone structure of the human face and attempt to achieve likenesses of those around them.



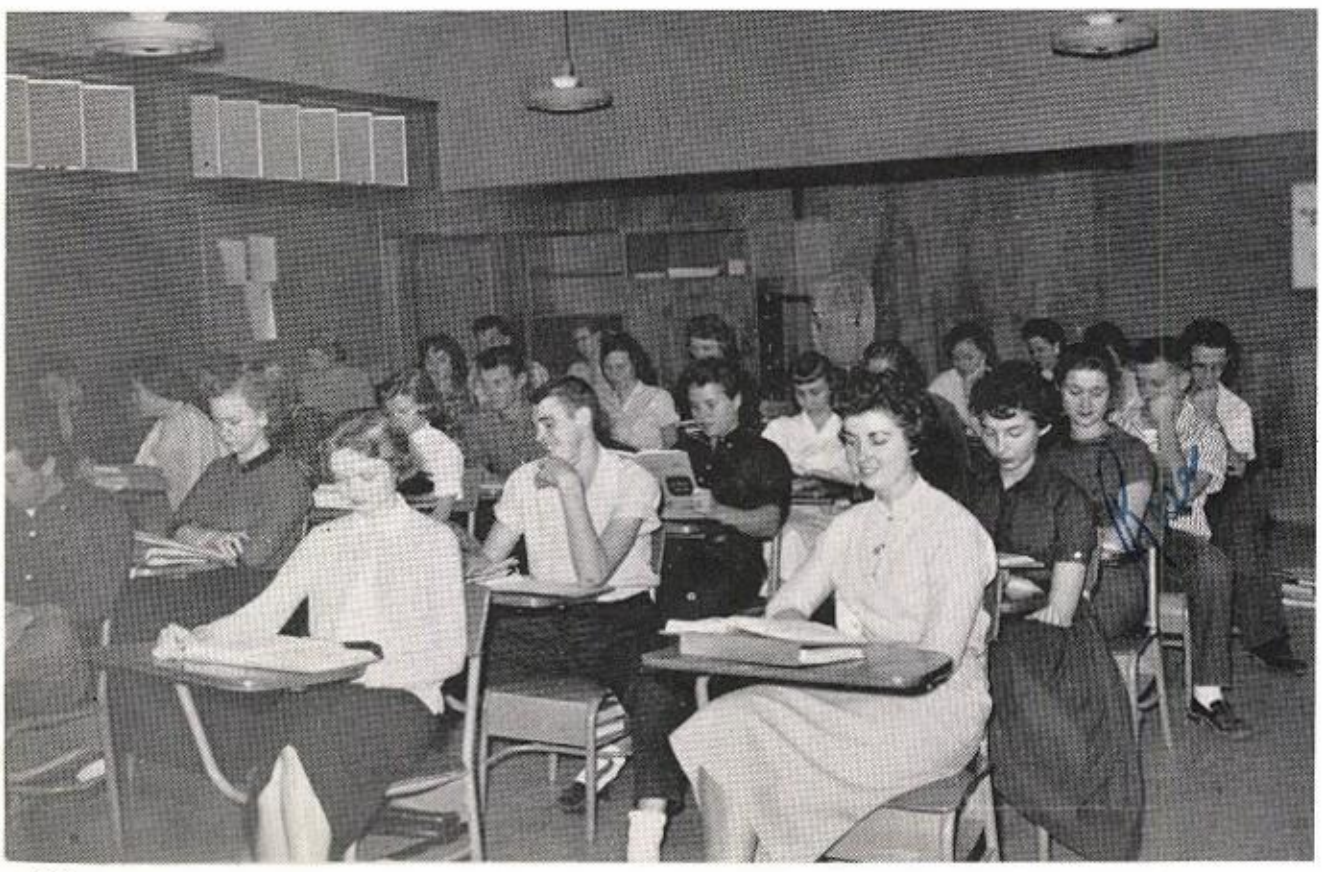
Displaying their talents at portrait painting are *Mike McCutcheon* and *Bill Griebel.*



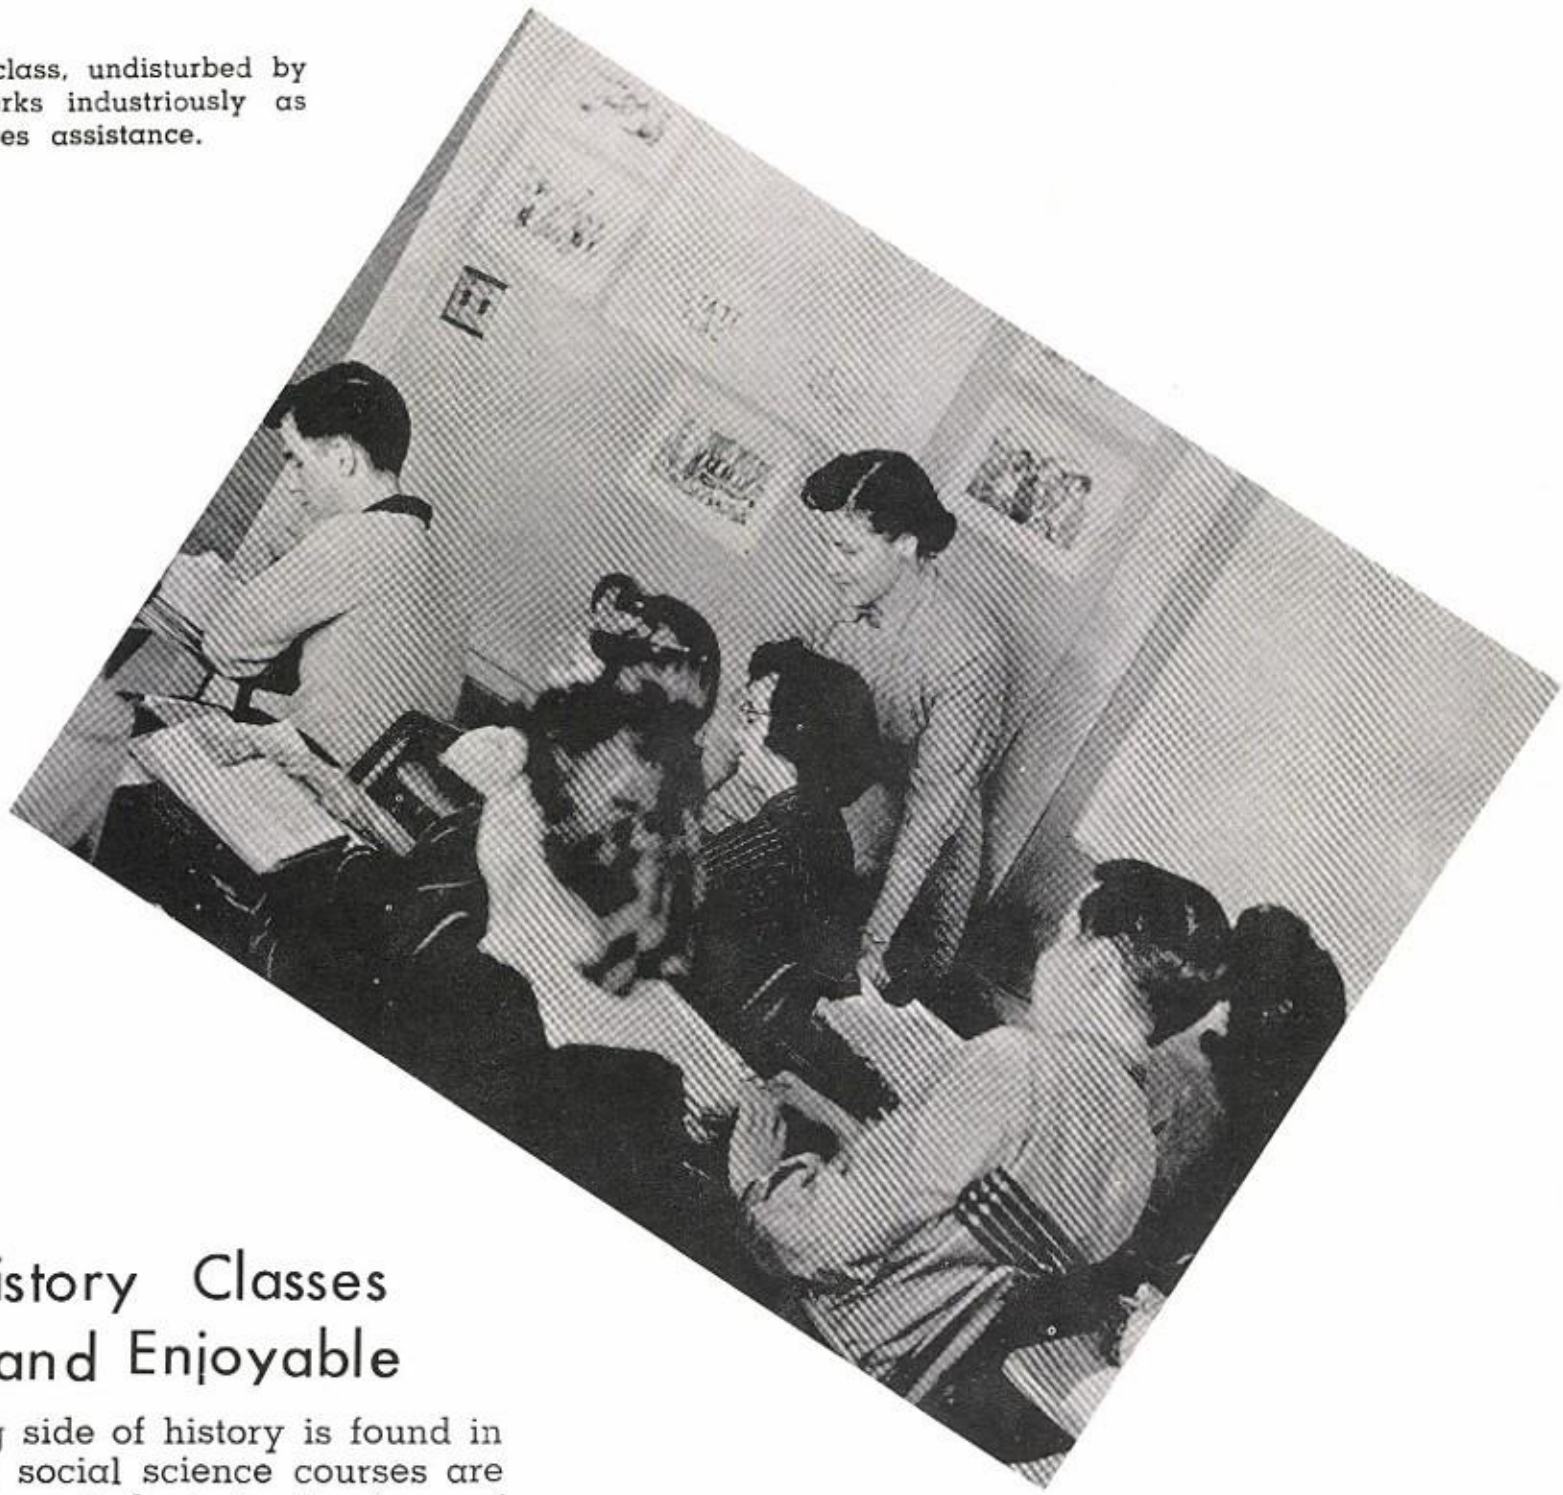
Byron McKinley demonstrates proper care of equipment as he gives a brush he has been using a thorough cleaning.

As *Mr. Jim Collins'* American Government class reviews for the looming final exam, Mr. Collins prepares his lecture for the coming day.

Miss Laura Snow's Texas History students seem eager to participate in a class discussion.



Intent sociology students study industriously in review for an exam over social adjustment.



This American history class, undisturbed by holiday excitement, works industriously as *Mrs. Jimmie Baylor* gives assistance.

MHS History Classes Varied and Enjoyable

The interesting side of history is found in people. Interesting social science courses are offered to McCallum students in the form of American history, Texas history, sociology, and American government. Aside from two less enjoyable aspects (some of the courses are required and demand study), most students find themselves enjoying these courses.

Mr. Gover Emerson's American history class participates in a discussion of holiday plans as they eagerly wait for the ringing of the bell.

Nettie Webb, Bill Parks, Martha Hastings, Bill Griebel, Dixie Petterson, Lora Robbins, Carol Ann Harmon, Betty Owens, Kathy Cowart, and *Marietta Smith,* students in ***Miss Boysen's*** biology class, stand beside an exhibit of animal life.

Demonstrating an active interest in their studies, *Ann Hill, Martha Preece, Linda Buck, Rita Jones, Norma Edmonds,* and *Ann Laudermilk* created this display to illustrate a biological study of the earthworm and its relatives.

Students Search World of Science

One of the widest and most interesting fields in the world is that of science. McCallum students find the numerous courses dealing with this subject engrossing and enlightening. They also learn that practical application of the knowledge they gain during class hours makes the world around them much more interesting.

Mrs. Marie Bailey's physics students work industriously with equipment which demonstrates the mechanical advantages of pulleys.

Chemistry students *Bennie Engelke, Kenneth Priem, Pat Brown, Janice Evans, Jeff Rampy, Phillip Otting, Nina Austin,* and *Mary Ellen Franklin* gather with *Mrs. Marjorie Turk* around two rather unique Christmas trees made of copper in a solution of silver acetate.

Mrs. Margaret Russell gives her clothing class some last minute instructions before the style show.

Willetta Dement strikes a pretty pose as she models her dress in the style show.

Kay Miller looks at the stuffed animals the clothing class has made. *Sylvia Higginbothom* gives her attention to the cameraman.

Diane Grubb rewards *Jimmy Brown* for being the Home Management Beau as the other nominees and the Home Management class look on.

Janice Kuhn is given words of advice from *Carol Perkins, Judy Parks,* and *Mariella Meier* as she prepares a centerpiece for the Home Management party.

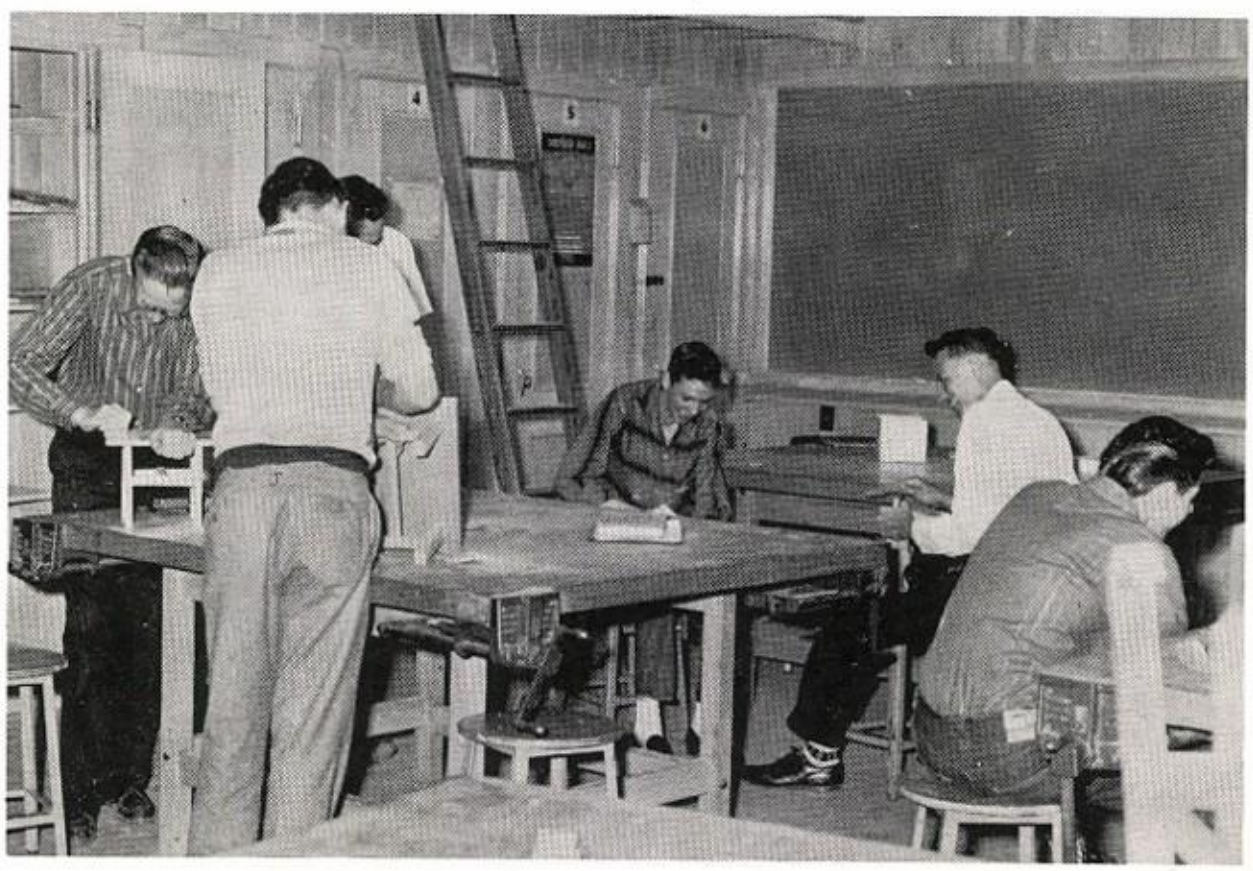
Mr. Henry Horton explains a mechanical drawing problem to *Billy Glasscock, Earl Dean,* and *Richard Rosprim.*

Melvin Vasbinder and *Merle Moden* work on their drawing.

Pictured are very busy woodwork students.

Mr. Horton helps *Susan Howe, Patricia Davis,* and *Stella Fleming* as *Janice Kuhn, Scarlett Frazier,* and *Darlene Dailey* work on their projects at the table.

Jackie Stanley, Judy Slussler, and *Carol Meeks* busily paint on one of their many projects.



Cleaning up is a very important part of a woodwork class.

Cornet players *Joe Bearden, Eugene Reeder, Bobbie Roper, Carolyn Raines,* Joe Magee, and Jeran Hooten sound off during a pep rally.

The band started practicing and marching several weeks before school started.

Dr. Frank Phillips directs the band during one of its practices.

The band takes a moment off from its rehearsal.

McCallum's choir is led by *Mr. Lavoy Whitworth* during one of its rehearsals.

President *Charles Betts* presides over a Student Council Meeting.

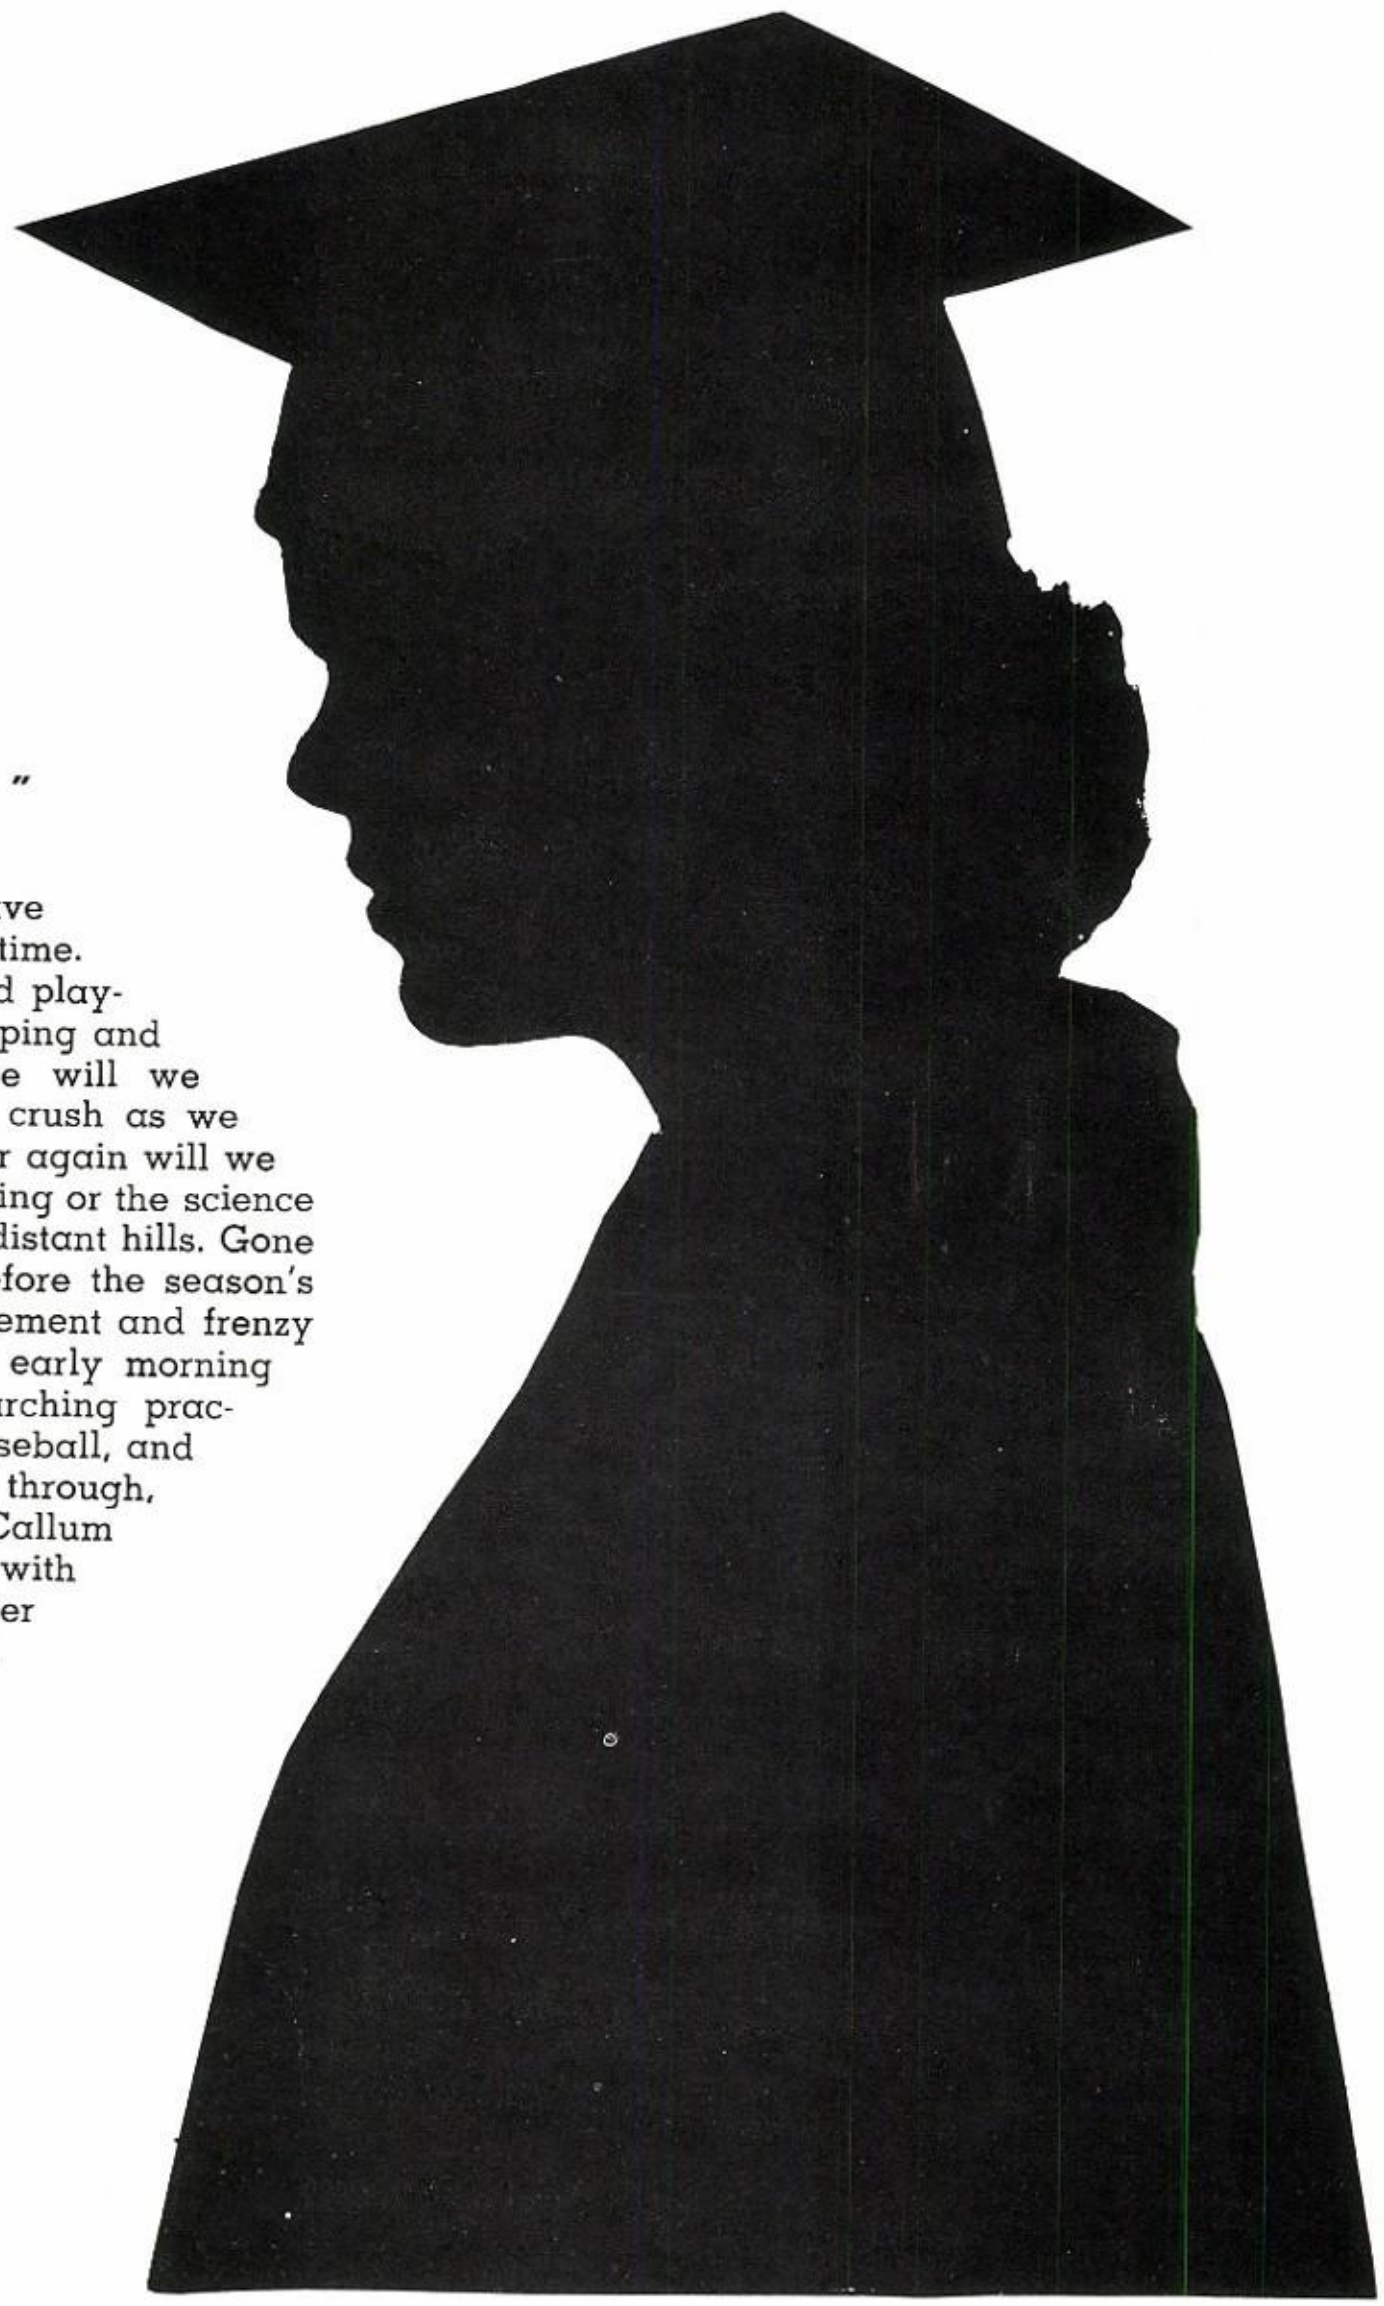
Karen Lambert and *Jerry Lackey* enjoy their Christmas party in Mrs. Louva Child's advisory.

Linda Reedy, Judy Rathman, and *Travis Rivers* wrap one of the presents for their needy family.

Shield staffers *Nancy Schlegel*, past editor *Jo Eickmann, Jannette Peebles, Sandra Randall, Don Tew, Sondra Marshall*, and *Paul Simons* plan this year's work at a pre-school gathering.

In the publication's room industrious *Shield* staffers work to make a deadline.

Knight staffers *Ginger Mayfield, Penny Pojman, Kathy French, Charlotte Currier*, and *Jo Faris* are kept busy filing and indexing.



"And so, it's over."

we whisper softly as we leave
the front door for the last time.
Twelve years of working and playing, laughing and crying, hoping and wishing are over. No more will we push through the main hall crush as we hurry to a far-off class. Never again will we sit in a room in the English wing or the science corridor and gaze out to the distant hills. Gone are the hustle and bustle before the season's first football game; the excitement and frenzy of a "big game" pep rally; early morning band and Blue Brigade marching practices; football, basketball, baseball, and track workouts. Now we are through, but we will never forget. McCallum High School will always be with us and our hearts will forever burn "to guide our Knights, o'er honor's field."

Knights Win Opener 14-0

The Knights upheld their record of never losing an opening game by defeating the San Jacinto Bears of Houston 14-0 at House Park.

With the sparkling defense of Allan Rogers, Jimmy Brown, David Turner, and Joe Chance, the defensive team kept the San Jacinto team to only 108 net yards.

Fumbles were the key to the game with first payoff fumble coming on the Knight 43 only one minute deep in the third quarter. Nine plays later with the ball-carrying of Jerry Squyres, Henry Dunn, and Wayne Drosche, the Knights scored with Brown switching to end and taking the pass for the tally.

After another fumble on the San Jacinto 36, Dunn and Drosche punched to the 24 on two carries, then Squyres scampered 19 yards. Drosche pushed over from the one adding the clincher.

Knights Shake Rattlers 15-0

The visiting Knights toppled the San Marcos Rattlers 15-0, in San Marcos, as a record crowd from McCallum attended.

All of McCallum's scoring again came in the third quarter. The scoring started like a bolt of lightning with Mauritz Souderlund nailing San Marcos' quarterback behind his own goal for a safety. On the ensuing kickoff, the Rattlers' hopes were dashed when Bob Young rambled through the San Marcos secondary for 65 yards and a Knight touchdown.

McCallum put it away for good in the fading seconds of the third quarter, capitalizing on a San Marcos fumble, and driving 17 yards in three plays for the tally--Jerry Squyres shooting left tackle for the final score. The Knights added yet another score when halfback Henry Dunn scampered 86 yards to the end zone.

Heights Conquered 18-0 By McCallum

McCallum romped to its third straight shutout victory by defeating the Alamo Heights Mules 18-0.

Alert defensive play gave McCallum its first touchdown. A Knight drive, which had begun on its 31, died on the Heights 10 in the early minutes. When the Mules tried to pass with four yards needed for a first down, Jerry Squyres picked off the deflected ball. He scored one play later, but the extra point was missed.

Squyres, who picked up 90 yards during the night, scored the first two of the Knights' three touchdowns on runs of ten and four yards. The last score was added by Albert Derden who rode behind Walter Wyman over the double stripe.

Wayne Drosche netted 128 yards for the most yardage. Drosche and Squyres did much harm to the Heights secondary, as did Derden who completed five of six passing attempts in his first role as starting quarterback.

As in previous games the Knight defense was held together by Joe Chance, Jimmy Ottman, Mauritz Soderlund, Jimmy Brown, and Allan Rogers.

Wayne Drosche strikes down to the one for an eight yard pickup which was set up by *Bob Young* who picked up six yards on a first down play to the Heights nine.

Knights Clobber Indians 33-0

McCallum, unbeaten and unscored on, scored its fourth straight win by defeating Harlandale of San Antonio 33-0 in San Antonio.

Joe Chance, Allan Rogers, and Walter Wyman headed the line play which ripped Harlandale's line on offense.

McCallum scored in the first period by driving 65 yards in 10 plays. Jimmy Ottman scored the first touchdown from the one. Jimmy was the offensive star pounding out 105-yards on 12 carries--two of them for touchdowns. Besides Ottman's two, other scores came from Bob Young on a 32-yard scamper, Albert Derden on a one-yard buck, and Wayne Drosche on another one yard play. Henry Dunn added three conversions to the score.

Harlandale threatened only once. Indian Don Shockey burst around end for 51 yards to the McCallum 34 where Jerry Squyres nailed him. Two plays later, Jerry killed the threat by intercepting one of Harlandale's two passes intercepted by McCallum. Harlandale never penetrated beyond its own 40-yard line in the first half.

Knights Romp Past Brackenridge 13-0

The Knights scored their fifth consecutive shut-out victory with the defeat of a fired-up Brackenridge team of San Antonio. McCallum used the power running of Jimmy Ottman and deceptive running of Henry Dunn to defeat the Eagles 13-0.

The Eagles were a persistent, battling team against McCallum, making the most serious threat to the Knights' brilliant defense.

With several players hampered by sickness and injuries, the Knights varied their offense somewhat from previous games. Jimmy Ottman, playing fullback in the place of Wayne Drosche, who was out with injuries for the second straight week, was the big gainer. Ottman got 107 yards on 14 trips with the ball. His longest gallop, 53 yards, set up the second touchdown.

The whole of McCallum's defensive unit did a great job, with the notable playing of Jimmy Brown, Joe Chance, Mauritz Soderlund, David Turner, and especially Jerry Squyres.

The Knights' first touchdown came in the first quarter when Joe Chance pounced on an Eagle fumble on the Brack 20. After an offside pass to David Turner, Ottman took five, and Dunn hung up the tally, plus the extra point. Dunn's second touchdown came in the third quarter climaxing an 81-yard drive, with Henry taking a wide pitch on the left side getting key blocks from Brown and Pounds and racing 21 yards to the score.

Dunn plunges four yards before being hit by a couple of Brackenridge defenders.

Fired Up Travis Wins Bell 14-0

Storming in one end of House Park and out the other, a fired-up bunch of Travis Rebels, took with them the Victory Bell, McCallum's hoped for sixth straight win, and everything but the Knight's spirit.

The Travis Rebels finding themselves against the flu-stricken Knights took advantage of the situation to defeat McCallum 14-0.

Some of McCallum's star players hadn't been in practice for as long as two weeks but were in there punching with their best against the Rebels. Travis had been over the flu epidemic for about a month and was back in shape.

Until this game, McCallum was unbeaten and unscored upon. The first score of the game was made with five minutes and seven seconds left to play in the third quarter, climaxing a 53-yard drive. The second touchdown was made after quarterback Jim Price sent Franki Shaw and Sam Ruiz charging for the 70-yard drive for the touchdown.

Squyres was McCallum's leading ground-gainer with 38 yards and Wayne Drosche was second with 23.

Travis held the ball for the running of 64 offensive plays to McCallum's 40. Henry Dunn punted 5 times for a 37-yard average. Cervenke punted once for Travis for 52 yards. He also kicked both of Travis' extra points.

Victoria Stings Knights 31-13

The McCallum Knights fell to Victoria 31-13 for the second consecutive upset of the season.

The victory was the Stingarees' first win over McCallum in five years of trying. Early in the first half, Victoria started racking up the points and at the half led 18-0.

After the half McCallum came back to score 13 points in the third quarter as did the Stingarees. Jimmy Ottman intercepted a Victoria pass and returned it to the Stingaree 33-yard line. Bob Young punched over six plays later from the two-yard line.

It took three plays for a Knight touchdown which came on a spectacular seven-yard pass by Chuck Joyce to Gayland Lyles. This was the first touchdown of the night for McCallum. Jimmy Brown set up the last McCallum score when he recovered a fumble on the Victoria ten. McCallum at that time actually looked as if they could catch up and win if they got a couple more good breaks; however, the breaks didn't come.

Victoria put out a masterful job of football and looked like a team which deserved to win. The best play of the evening for Victoria was a blocked kick of Henry Dunn's which David Candelaria, Victoria halfback, picked up and raced 37 yards for a touchdown.

Henry Dunn skips around end with the aid of *Jimmy Brown* who keeps off a Victoria defender.

Temple Defeats High Spirited Knights 32-0

The Knights, being more spirited than anyone had seen them for a long time played Temple on even terms in the first quarter only to lose 32-0.

The first touchdown for Temple didn't come until 1:20 had elapsed in the second quarter. Don Mraz of Temple kept and went all the way for the score. Not five minutes later Kirby Richter of Temple piled across for the second Wildcat tally. After these two scores, Temple kept increasing the margin until they ended up with the 32-0 shutout.

This defeat eliminated McCallum from District 13-AAAA championship contention. Quarterback Don Mraz, whose fourth down gamble the previous week cost his team a tie with Austin, redeemed himself by scoring eight points against McCallum.

The Knights weren't without some scoring chances, however. They once were able to punch the ball down to the Temple 18-yard line and again to the Wildcat 11. The quick-hitting Temple line braced itself each time to stymie the threat.

Darryl Cokendolpher, a junior, who appeared only when the game was no longer in doubt, turned in an outstanding game at defensive safety. He knocked down several long Temple passes and brought down the Wildcat backs when he was the only one between them and the goal.

Jerry Squyres and another Knight put the stopper on Don Mraz of Temple after he tried to run on a fourth down play.

Waco Overruns McCallum 20-7

McCallum, being defeated for the fourth time in the season, fell to Waco 20-7.

Led by always-trying Jerry Squyres, the Knights made two promising but fumble-stymied drives in the first half. On these, quarterback Chuck Joyce threw two home run passes which were dropped by his receivers who were wide open.

The Waco scoring was shared in by five Tigers, including Melvin Trousdale, Bret Morris, and Fred Lamb. Two Tom Stollenwerck-to-Wilson Lucas passes counted for the extra points. One of Waco's first touchdowns was set up by a long 78-yard march. The second touchdown was set up by a 44-yard punt return to the Knights three.

The Knight's touchdown came as a result of a Waco sophomore's miscue. Henry Dunn, who did a good job of kicking for McCallum actually set up the score. He punted a once-in-a-hundred times kick down to the Waco three, where Wilson Garrett of Waco failed to pick the ball up after he had touched it Gayland Lyles pounced on it for the recovery.

It took exactly three plays to score when Jimmy Ottman knifed over from the one, Wayne Drosche led the McCallum rushers with 40 yards and Squyres followed a close second with 35 yards.

Maroons Slosh Past Knights 14-0

On a muddy, near-freezing ght, McCallum played one of best games of the year. The aroons, favored to beat McCal- n 32-6, ran into a fired-up Mc- llum team who gave them a gh fight. McCallum was aten only 14-0.

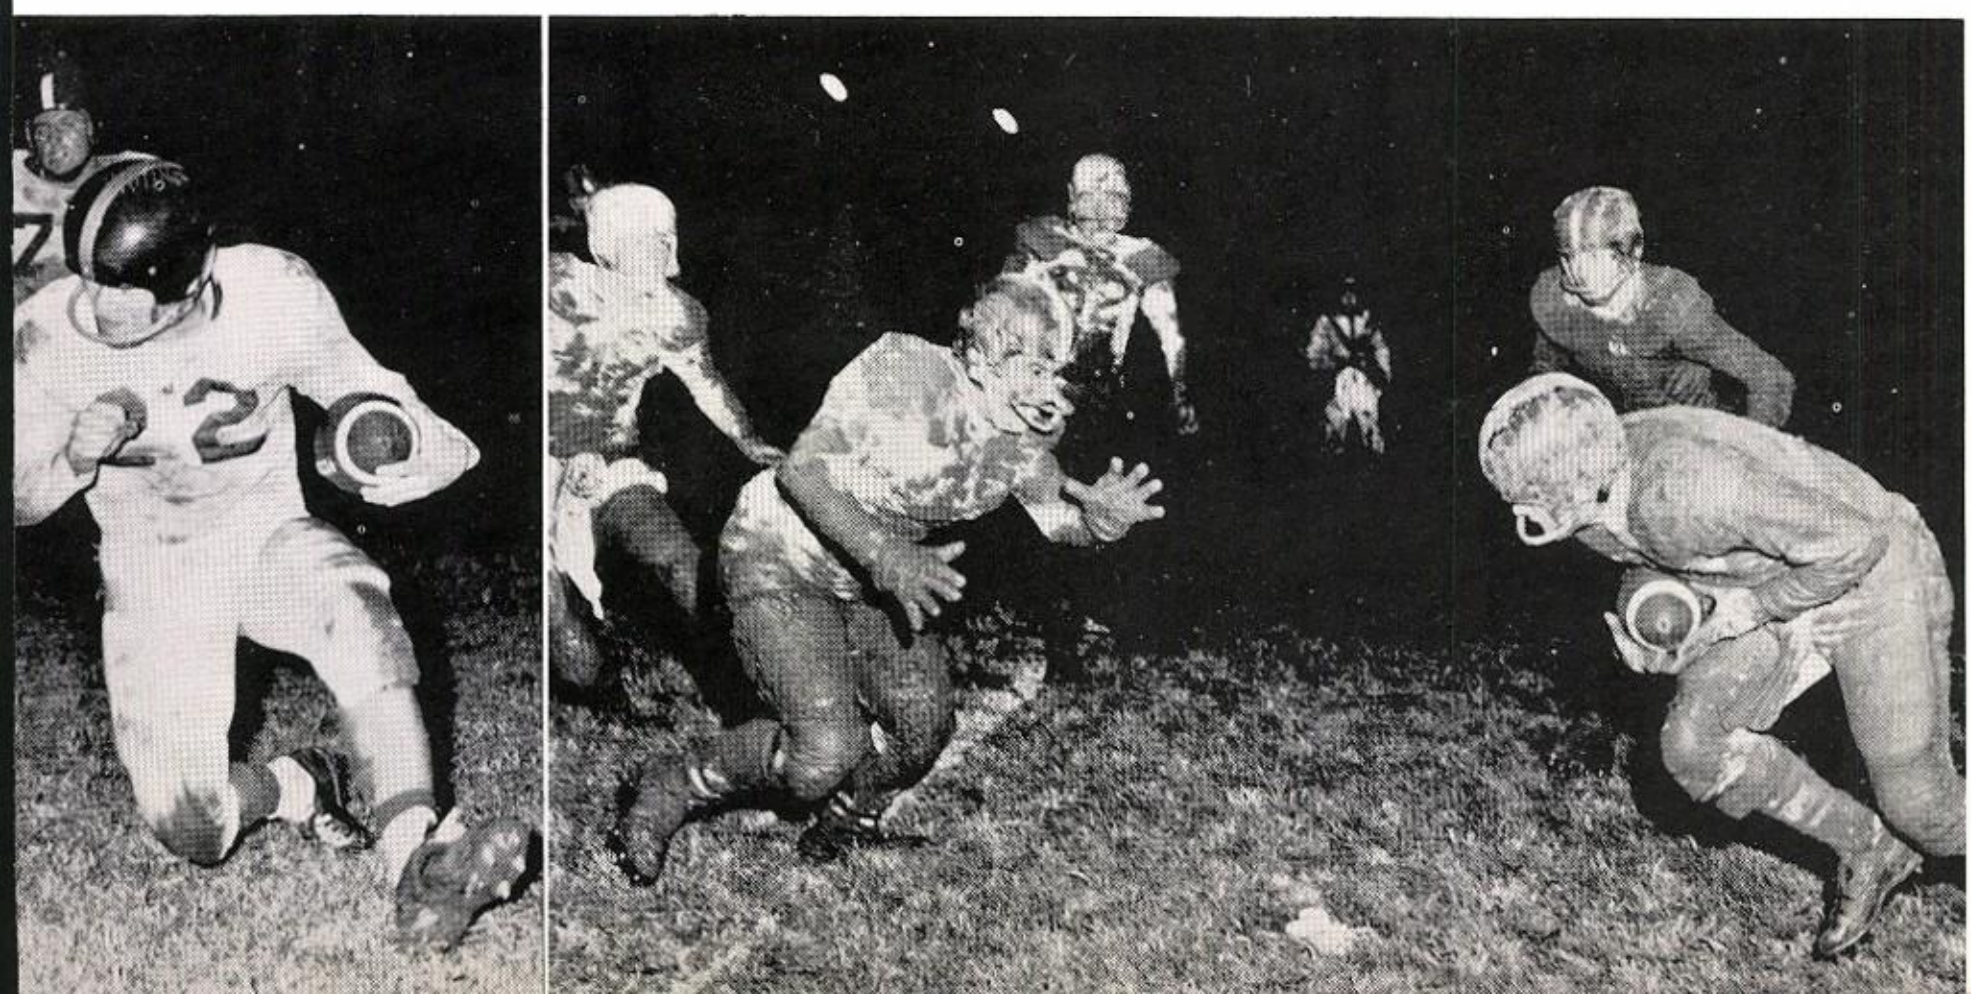
The conditions were impos- le for a good football game t the 200-pound defensive lines their best in the sea of mud House Park.

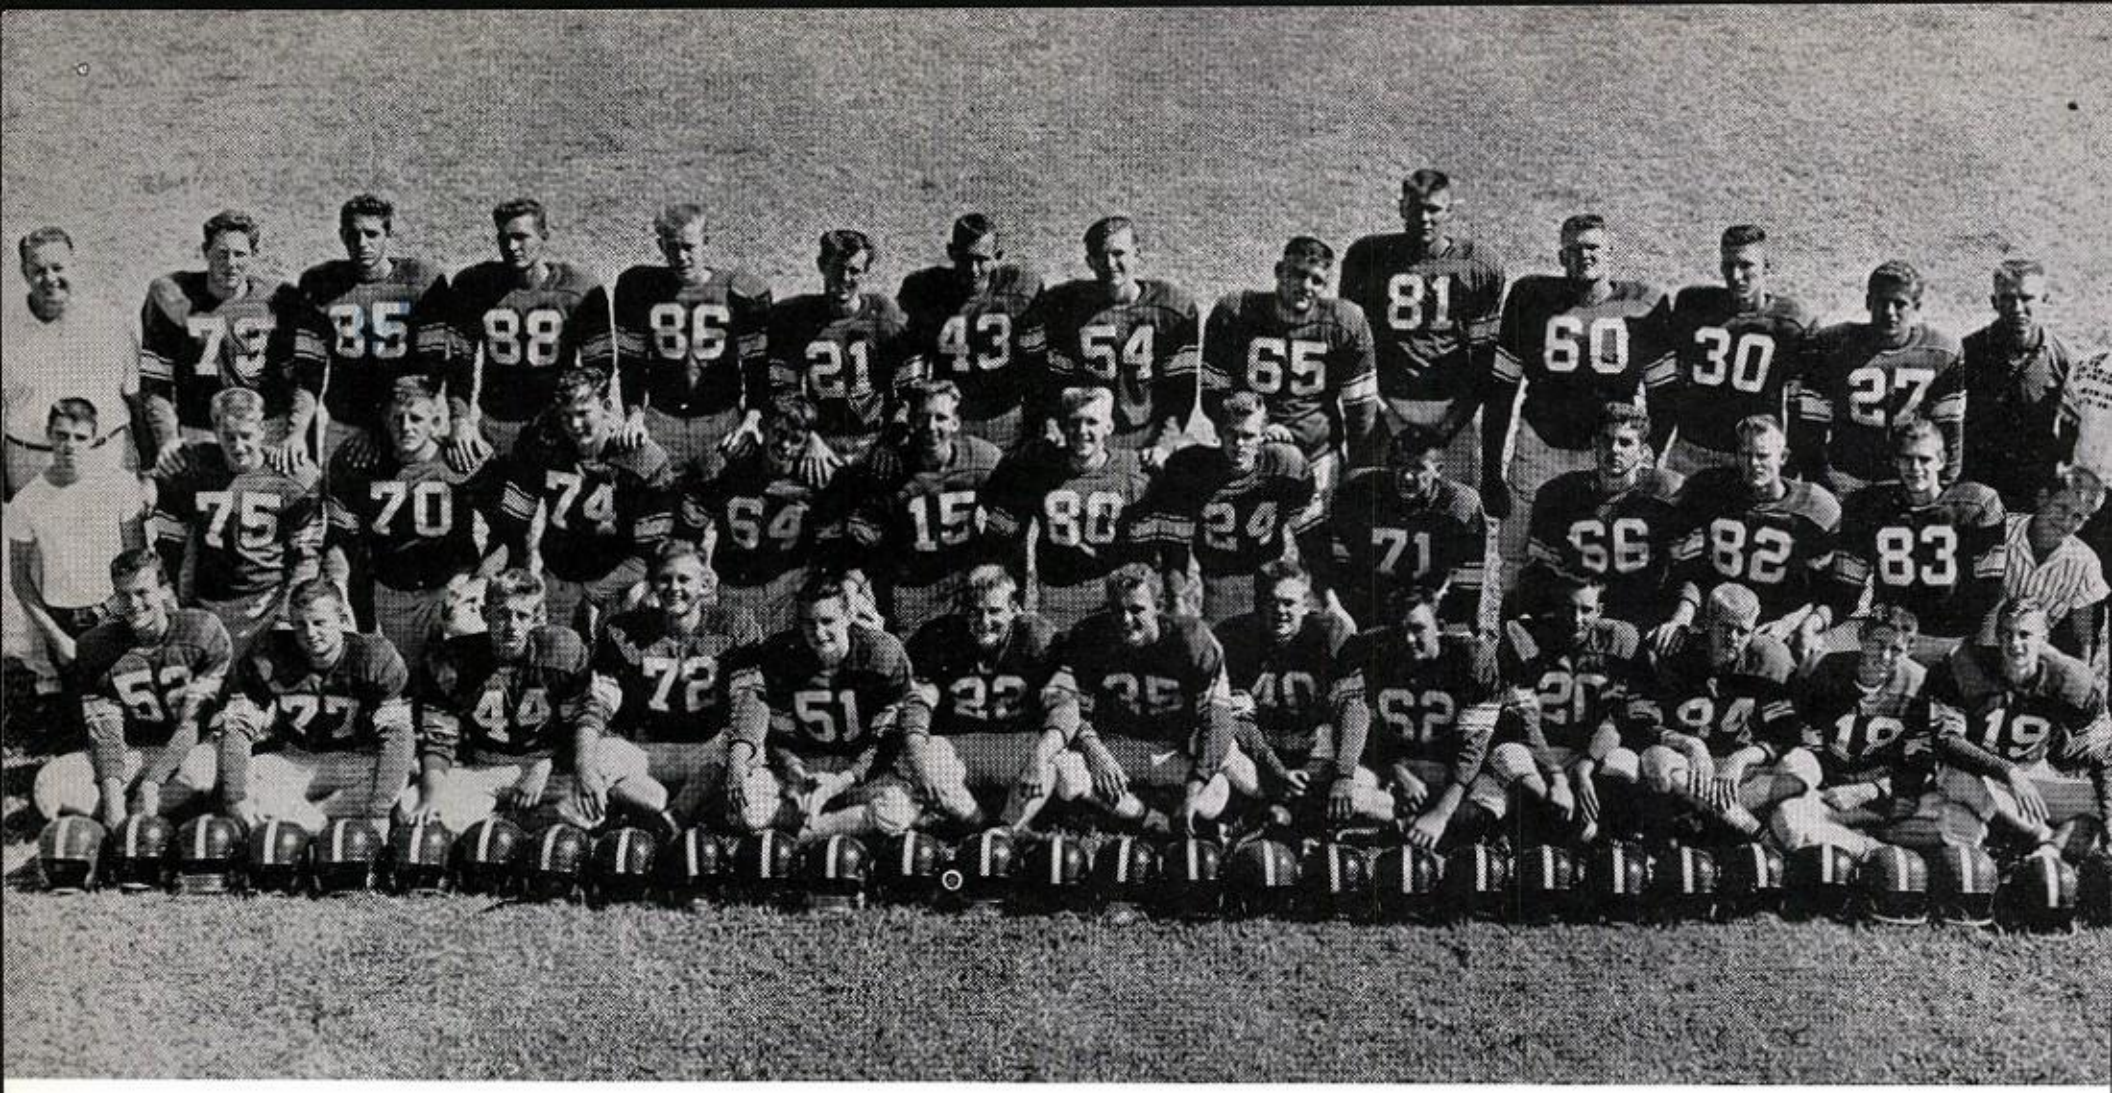
McCallum returned to its mid-season defensive work by stopping Austin's key plays most of the night. Tackle Jimmy Brown and linebackers Jimmy Ottman and Bob Young were especially outstanding defensive men. The biggest gainer of the night was a fifty-nine yard run by Jerry Squyres who was stopped on the Maroons' 34.

The first touchdown was made in the second quarter and the next in the fourth quarter. Both extra points were run over because it was too muddy to kick straight.

Punts were in order for the night with both teams together kicking 16 times. Punts came on third downs consistantly and sometimes on first or second downs. One of Dunn's punts, a 47-yarder died on the Maroon four.

Jerry Squyres makes a short punt return as *Jimmy Ottman* comes in to help.



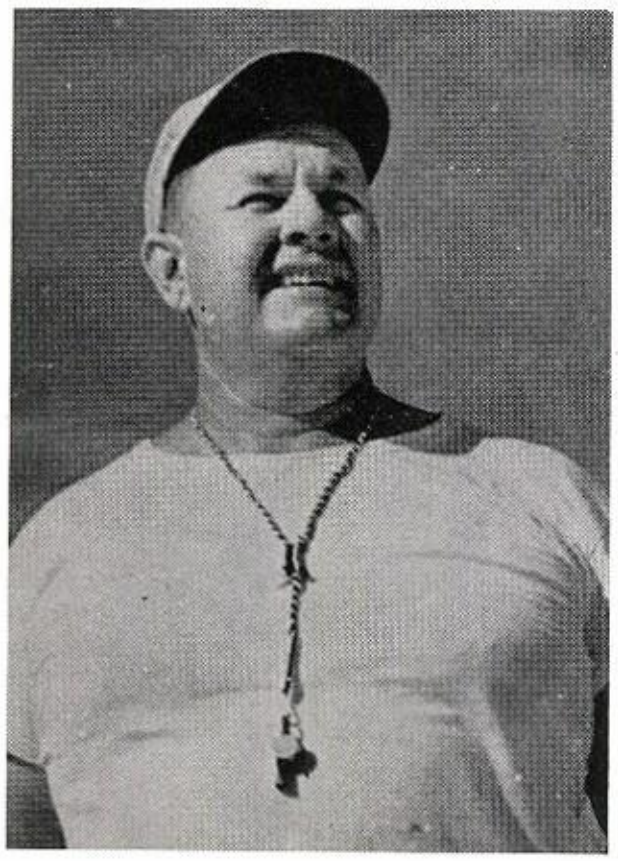


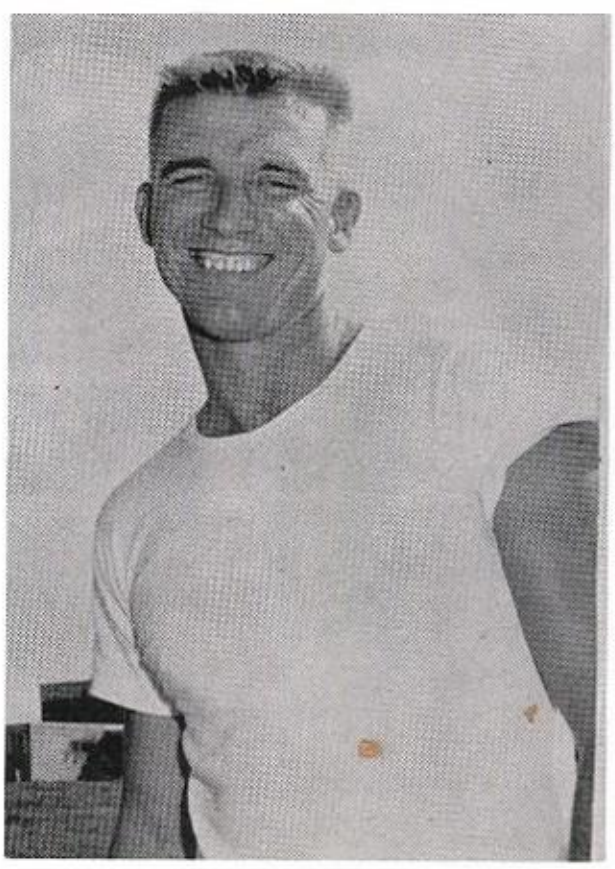
Back row: Coach Kline, Larry Whitehead, Joe Salahi, David Turner, Glen Noble, Albert Derden, Mauritz Soderlund, Joe Chance, Jimmy Brown, Allan Rogers, Wayne Drosche, Jimmy Ottman, Coach Rundell, and Coach Munson. **Second row:** Mack Hickman (manger), Terry Slussler, Walter Wyman, Bobby Allison, Jack Larsen, Chuck Joyce, Gayland Lyles, Darryl Cokendolpher, Billy McCann, Kernan Gayden, Charles Thompson, Lewis Smith, and Pete Lowry, (manager). **Front row:** Riley Parker, Byron McKinley, Mike Rogers, Tommy Powell, Eddie Legg, Jerry Squyres, Bob Young, Dudley Pounds, Gregory Frey, Don Speer, Cecil Thompson, Mike Gordon, and Edwin Hutto.

Head Coach, *Forrest "Dutch" Kline* was a three year letterman at TCU, from 1935 to 1939. He received a BS degree there. In 1954 he received his MEd degree at Texas. Coach Kline has been head coach at McCallum since the school was founded in 1953.

Assistant Coach, *Charles Munson* was a three year baseball letterman at Texas. He went to Texas in 1942, but in '43 his schooling was interrupted by a short term in the service. In 1947 he went back to finish school, and in 1949 received his BS degree. In 1951 coach Munson received his MEd degree.

Frank Rundell who was assistant B-team coach last year has been promoted to assistant varsity coach. Coach Rundell attended Baylor University from 1946 to 1950 and received his BBA degree.





Season's Review

McCallum, after a start which looked like a championship in sight, collapsed when the pressure was finally applied in midseason. However, the Knights lived through a long victory-laden spell wherein they tasted of five wins without losing or being scored upon by an opponent.

The Knights looked like a sure bet to tie Austin High for district championship after the 33-0 triumph over Harlandale of San Antonio. The chance for a district championship was upset by a stroke of bad luck which hit with the Knights taking the flu the weekend before the game with Travis of Austin. Not only the flu, but an exceptionally high-spirited Rebel team overcame the Knights.

After the Travis loss, the Knights just seemed to fall apart, losing to Victoria 31-13, Temple 32-0, Waco 20-7 and the muddy grand finale to Austin 14-0. All in all, the Knights showed a remarkable improvement over the mediocre team of 1956 which only won two games and tied one.

In yards rushing for the season, Jerry Squyres led with 586 yards in 109 carries. Jerry beat Jack Madden's record of the previous year. Wayne Drosche followed with 390 yards in 90 tries.

Henry Dunn led McCallum in scoring even though he scored only two touchdowns. Besides these two tallies, he kicked eight conversions for a total of 20 points. Jerry Squyres, Jimmy Ottman, and Bob Young scored a total of 18 points each.

This year was one for exceptionally good teams in district play, none of them having a record less than .500.

Drosche took the honors with 27 points while Brown followed with 20. The second Knight loss of the year was to Baytown by a score of 40-37.

The following game with Burnet found McCallum running hot, defeating the Bulldogs 59-45 - Brown leading the field with 31.

In the second game with Bryan the Blue and Gray toppled them 60-41. Defeating Harlandale the second time was comparatively easy--for the Knights playing away from home-- McCallum won 59-36.

Entering into the district race McCallum faced Travis and downed them 52-35 with Drosche again leading the field with 15. Victoria, coming to Austin next, lost to the Blue and Gray this time 61-42. Brown 16, Drosche 14. Waco gave McCallum a tight score with an overtime victory for the Knights, Betts doing the honors, 48-46.

Coming home to play Temple, the Knights beat the Cats 56-40 in a close game. The first district loss came with Austin High defeating the Blue and Gray by a 45-36 margin. Doing a quick turn about, the Knights clobbered Travis 52-36 with Charles Betts leading the field with 18. Continuing in the second round, McCallum socked Waco 71-60, with Brown hitting the bucket for 39.

The Knights were finally run out of competition by a tough Temple squad by a 57-45 score. Coming home the Knights *trounced* Austin 52-49 climaxing the season's play.

The 1958 Knight baseballers came out minus last year's infield. However, at the beginning of the season the team as a whole was expected to work together better and have more team spirit than the previous year. The team will be a more experienced and better co-ordinated squad next year because the rookie players seem to have what it takes to work together. Coach Munson plans his lineup in such a way that every man on the team has an equal chance to start on the lineup at one time or another. The pitching staff as a whole is well balanced with experienced men, who have control of the fast ball, curve, change of pace, and slow ball.

'57 – '58 Cheerleaders

We wish to thank you, the student body, for your outstanding display of school spirit and sportsmanship shown this year. We would like to say thank you to Mr. N. H. Wittner, the faculty and our sponsor Mrs. Frances Brougher for their support. To those seniors who will be leaving our band, Blue Brigade, and our athletic department we are proud of the way in which you represented our school. And to you who will return, the very best of luck next year. Always keep that spirit bright to guide our Knights o'er honor's field.

The Cheerleaders

"What's the good word?" "Yama, Yama!" and "Are we KNIGHTS?" exemplify the great spirit the cheerleaders have built up this year through their own spirit, lively yells, and general promotion of good will. These spirited cheerleaders are: Barbara Allen, Sylvia Irwin, head cheerleader; Peggy Sien, Jean Ann Oliver, Nancy Schlegel, Ann Lambdin, and Gayle Steger.

Shirley Foster, a hard worker in any job she undertakes, is a member of the Blue Brigade and is art editor of the Knight. Concocting beautiful posters for all coming attractions and typing reports for school projects are examples of her unselfish interest in McCallum. Shirley's artistic interests have also prompted her to be a member of the Sketch Club, which she served as president this year. Her membership in the National Honor Society indicates that, despite her many "artistic" activities, her grades do not suffer and that she is truly an asset to McCallum.

Who's Who

Sam Kinch, outstanding in the field of journalism, was co-editor of the *Shield* and last year won regional at the Interscholastic Journalism Contest. Representing McCallum at Lone Star Boys' State, Sam served as co-editor of the *Lone Star Stater* and president pro-tem of the Senate. Well-liked and always ready with a friendly smile, Sam was elected vice-president of the National Honor Society, and reporter of the senior class. Also noteworthy are the many roles he has played in McCallum plays as a member of the Royal Court Players and the National Thespians.

You name it, *Leon Graham* can do it. Outstanding in every aspect of student activities, Leon has excelled in journalistic, band, scholastic, and dramatic work, and is known school-wide for his efficiency and leadership qualities. Vice-president of the Student Council, and a member of many clubs, Leon has spent many overtime hours working especially hard in two of these, Royal Court Players and National Thespians. Busier than ever his senior year, Leon served as co-editor of the *Shield,* drum major of the band, and was one of the semi-finalists in the National Merit Scholarship Program. He was also spring president of the senior class.

A face well-known around the McCallum campus is that of sparkling *Mary Magee*. Mary has won quite a name for herself in the McCallum band, and orchestra, as she was a member of the All-District Band her sophomore year, and a member of the All-State Orchestra the last three years. Also outstanding scholastically, Mary has been a member of the National Honor Society two years, serving as its secretary in this, her senior year.

Honorable mention went to hard-working, athletic junior *Jerry Squyres* for his active participation on the varsity football team and as president of Talents, Inc. Jerry was all-district honorable mention offensive and defensive halfback in addition to being a class officer and Student Council representative.

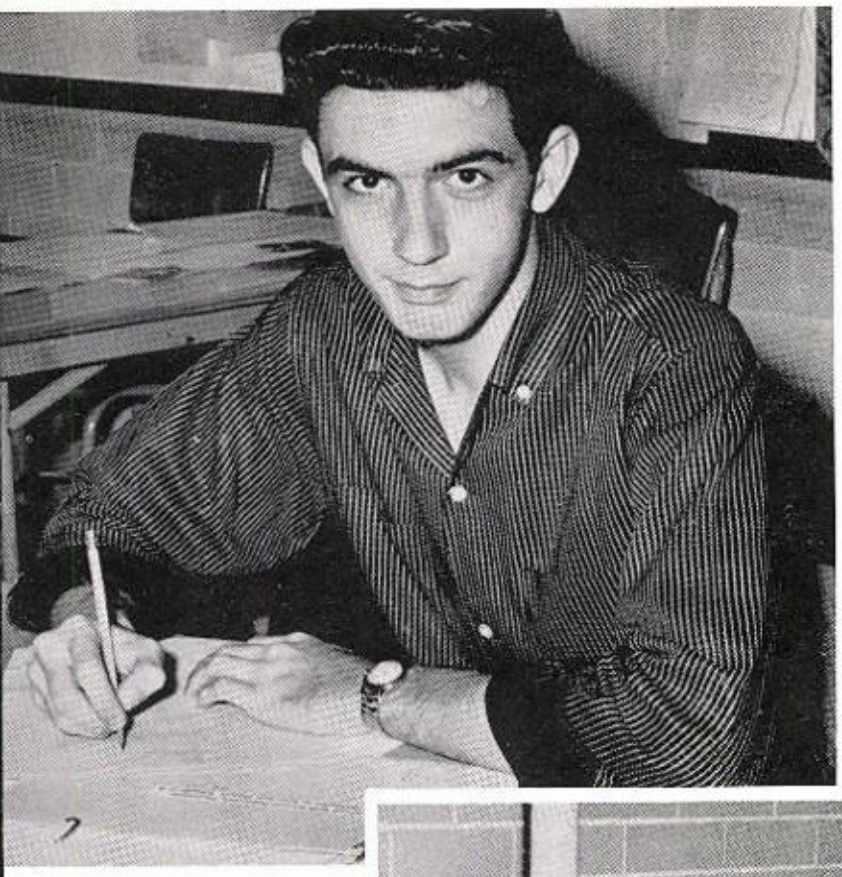
For his courteous and helpful attitude and especially for his excellent work as Chief Photographer for the *Shield* and *Knight* honorable mention went to *Ronnie Baker*. Ronnie has served as a photographer in his sophomore, junior, and senior years and as president of the Photography Club in his junior and senior years.

Who's

Karen Sikes, the only sophomore to appear in this year's Who's Who, is known throughout the school for her position at the head of the band—she's a majorette, you know—and for scholastic accomplishments. The devotionals given by Karen as chaplain of the Student Council added a special touch to each meeting. This smiling newcomer has already contributed a lot to the "greatness" of old M.H.S.

"Yama Yama" might well be the nickname of our peppy cheerleader, *Nancy Schlegel*, whose boundless enthusiasm and spirit have kept all McCallum's interest blazing. Always bubbling over with personality and always displaying that winning smile, Nancy was the school's choice for the '57-'58 Friendliest. In her non-cheerleader time, Nancy has put in much hard work on the *Shield* as editorial editor, as a member of the Taho Y-Teens, and in Future Teachers of America.

Who



Since coming to McCallum from Baker Junior High, *Don Tew* has thrown himself into numerous school activities. A Student Council alternate with an interest in dramatics and journalism, Don has taken part in Royal Court Players and Talents, Inc. productions, in addition to serving as co-assistant editor of the *Shield*. A diligent worker in all these activities, Don has maintained a very high scholastic record, to boot.

Sure to appear in the limelight next year is *Jeff Rampy*. Jeff, the '57-'58 president of the band, has attracted many friends because of his outstanding qualities and his performances in singing groups.

Known by all, *Gayle Steger*, the Junior Class Favorite, has captured the hearts of all McCallum. As a cheerleader, Student Council representative, and class officer, she is one of McCallum's outstanding leaders.

Popular among MHS students, *Lee Thomas* finds his way into Who's Who for the second year. His boundless interest and enthusiasm are proof enough why McCallumites elected him cheerleader his junior year. Besides showing never-dying school spirit, Lee has compiled quite a scholastic record. Due to his high scholastic record he has been a member of the National Honor Society the past two years, and was chosen to attend the Math Workshop at Rice Institute his junior year.

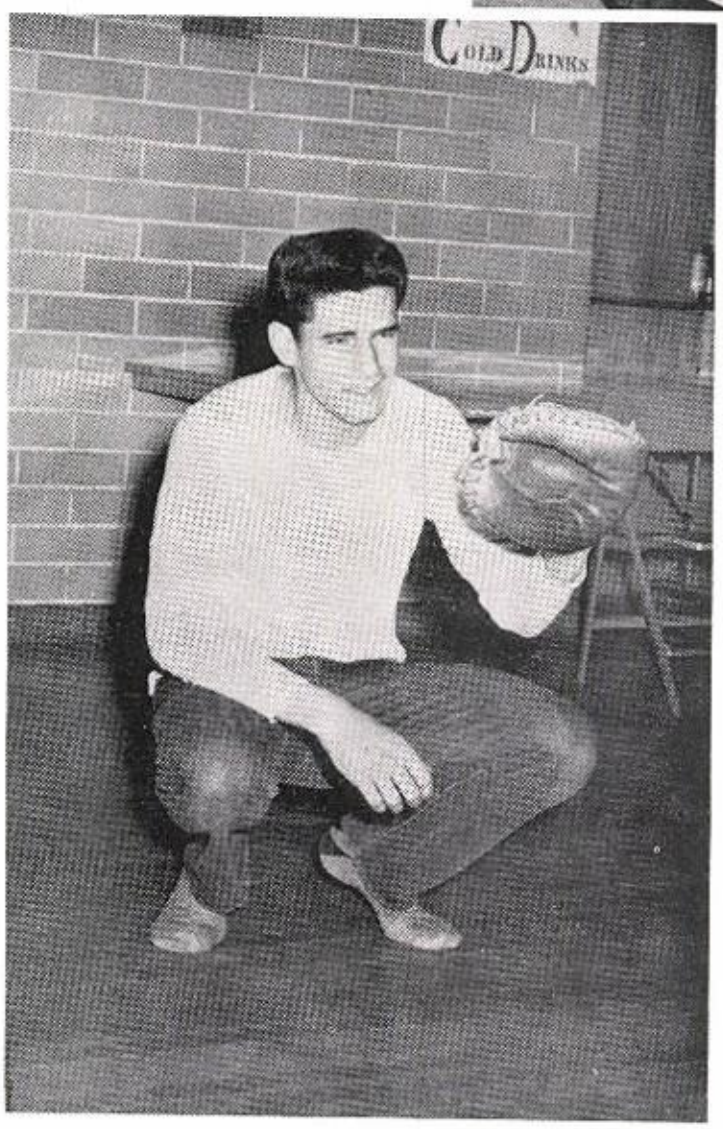
The Blue Brigade this year has benefited tremendously from *Dee Dee Williams'* able leadership. Junior Class Favorite, Bluebonnet Girls' State representative, Beauty Revue nominee, and Queen of Hearts nominee, are but a few of the honors this sparkling senior has received. Her unassuming ways, friendly and courteous manner, and radiant personality, added to her many accomplishments are reasons enough why she is making her second appearance in Who's Who.

Who's

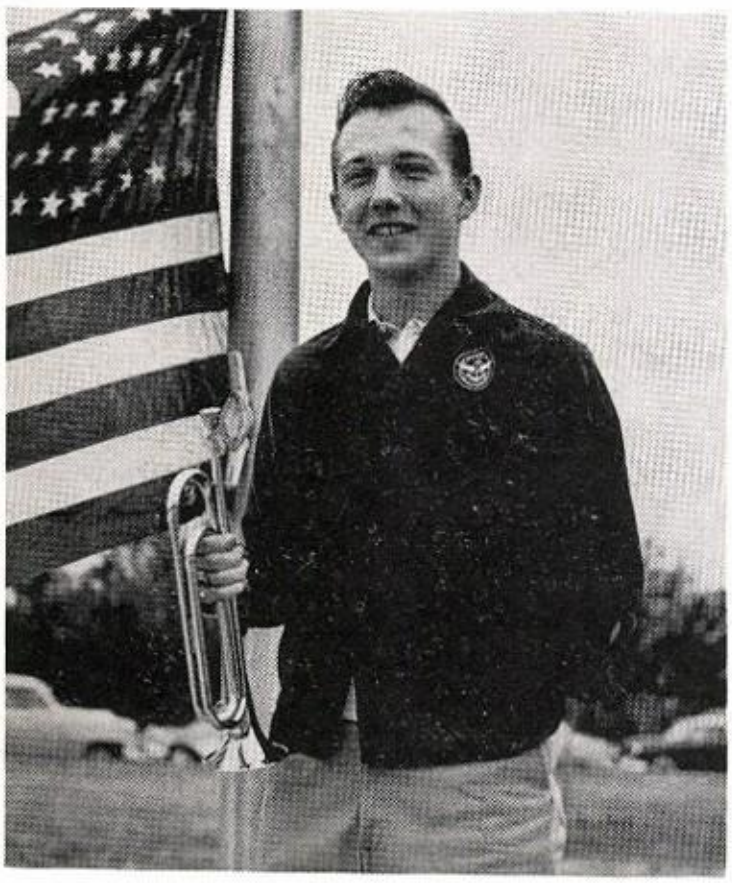
Dependable, hardworking *Ethel Mae Beal* is active in journalism, as she was news editor of the *Shield* her junior and senior years, and also served as secretary of the Capitol City Press Association. High scholastically, Ethel Mae has been in the National Honor Society, serving as its historian this year. In addition, she is an active member of the Taltoga Y-Teens, and the Blue Brigade.

Whether it's working on projects for the Student Council, or rendering service as a Blue Brigader, *Pam King* exhibits all the attributes of a real leader and citizen. Very interested in Student Council work, in '56-'57, Pam received the first service award ever given by the Council.

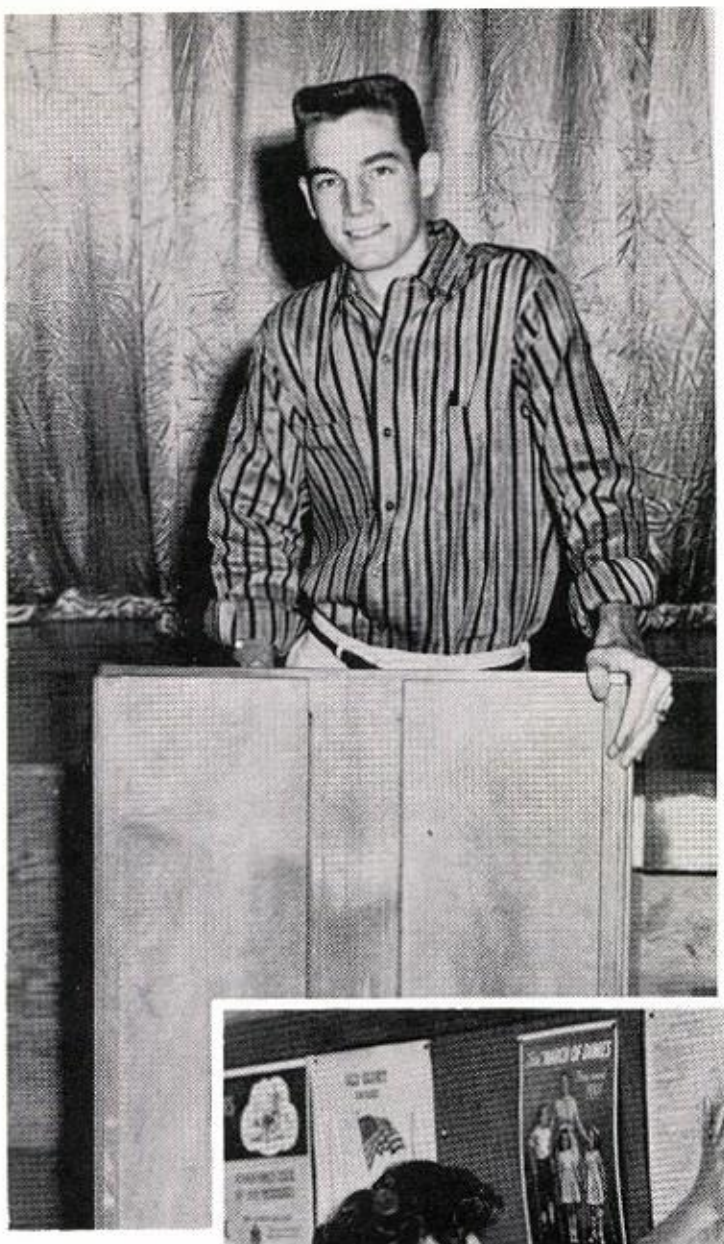
A star is on the McCallum horizon in the person of *Charlotte Griffith*. As a co-operative worker in extra curricular speech and dramatic work, she has performed for McCallum audiences in numerous RCP productions.



Known for his achievements in speech, debate, and dramatic work, *Harry Akin* is admired for his all-round friendliness and scholastic record. Very active in civic work, Harry served as Student Council vice-president the fall semester, and as the Council's president the spring semester. A semi-finalist in the National Merit Scholarship Program and president of the National Honor Society, Harry defies the "bookworm" label by being on the baseball team, and by being one of the senior class officers.



Every sunshiny morning, McCallum students come to attention as *Lee Ray Basore* bugles for the flag-raising ceremony. Happily going about his work, Lee Ray has added a lot to McCallum's greatness. Interested in art, he was a member of the Sketch Club his junior and senior years, but he was actually better known for his work on the *Knight* as sports editor. Lee Ray has also assisted the intramural teams as manager, and the Royal Court Players as a production assistant.

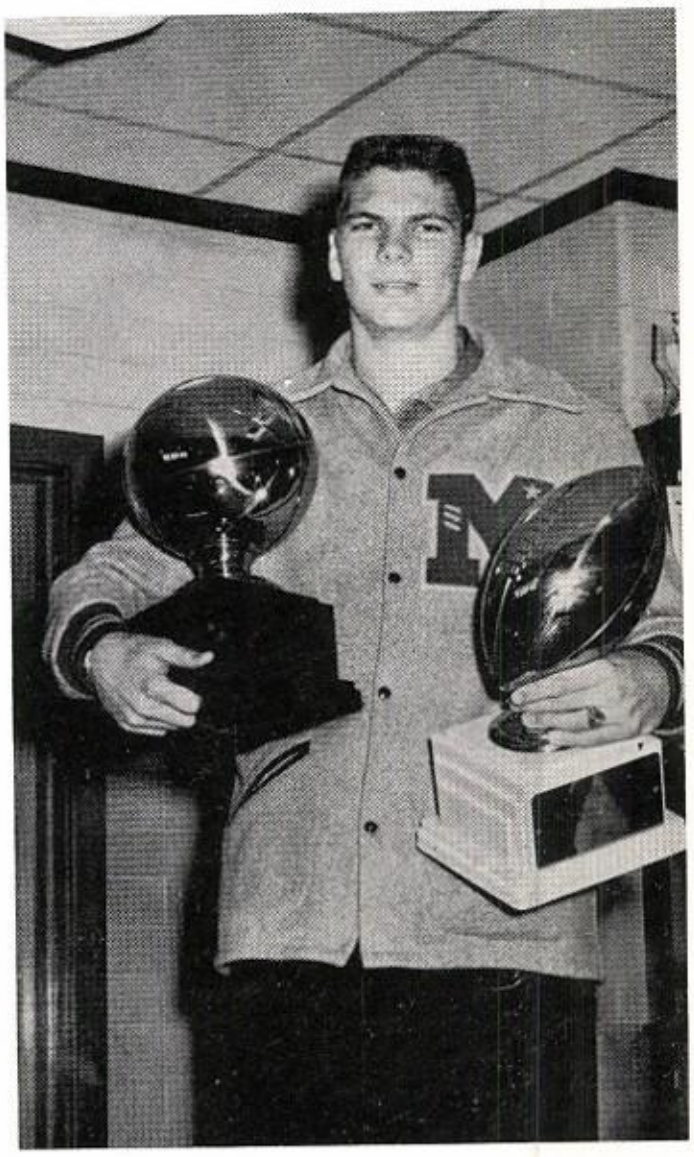


Making his second appearance in Who's Who is Charles Betts. Charles is recognized in many fields and his friendly and dependable ways have led him to many honors. He served on the Student Council three years and was its president the fall semester of his senior year. Outstanding not only in Student Council work, he was also class favorite his sophomore year, and was one of the top three Most Handsome boys in MHS his senior year.

Where there's art, there's *John Craig*. Known as the friendly lad with all the cleverness and imagination in the world, John has skillfully concocted catchy posters, signs, and slogans which have tickled the "funny-bones" and spirits of all McCallumites. In addition he served as a junior class officer.

A well-known personality is *Lewis Smith*. Well-rounded civically and athletically, Lewis served as an active member of the Student Council, was president of his homeroom, and lettered this year in varsity football.

Cheerful, active, well-liked *Rosemary Cochran* makes her debut in Who's Who in this, her senior year. Selfless interest in all the affairs of the school, consistent good work on the *Shield*, and membership in the National Honor Society and Blue Brigade merit her an outstanding position in the student body. In addition, Rosemary has been in Press Capades for all three of her high school years, and is currently a member of the Taltoga Y-Teens, Royal Court Players, and the Sketch Club.



Jimmy Brown and athletics seem to be synonymous at McCallum. The reason for this lies in the fact that he has lettered three years, in as many sports; football, basketball, and track. Besides making all-district tackle in football, Jimmy goes on record as having made the highest number of points, 39, in district basketball history. As popular as he is athletic, Jimmy was elected sergeant-at-arms and class favorite this year by his senior classmates.

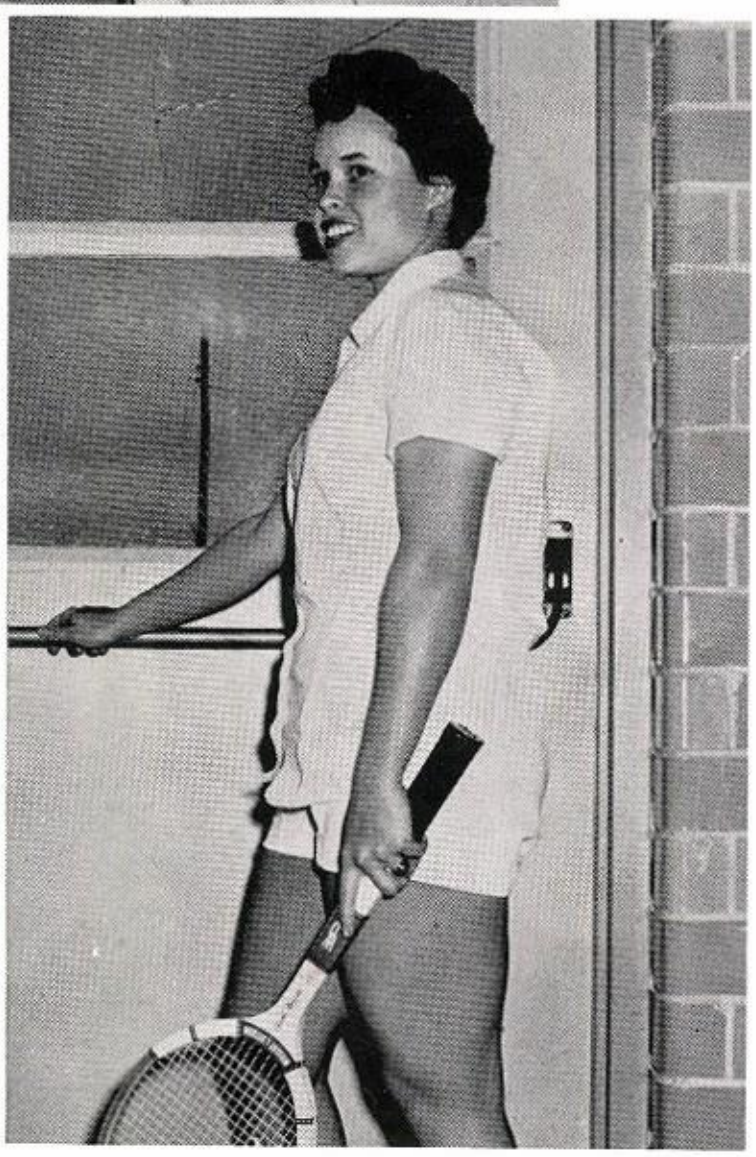
An outstanding leader and worker is *Jane Colley*. A friendly "hello" suits this lass who did a wonderful job as historian this year keeping the Blue Brigade scrapbook, and polishing formations for half-time shows. Also, very active in clubs during her three years at McCallum, Jane gave her time to the Royal Court Players, National Thespians, and the Powder Puff League, of which she was secretary during her sophomore and junior years.

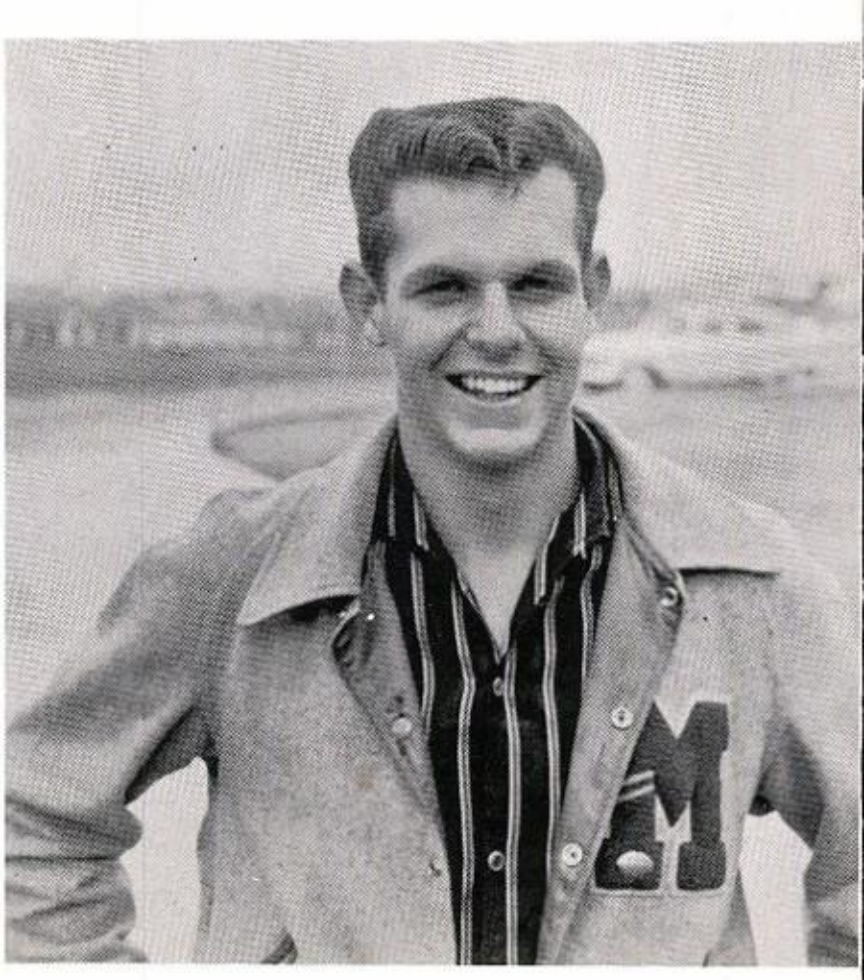
Who's Who

Betsy Burba has made a name for herself a
McCallum with her extracurricular speech work
Her service to and interest in McCallum has been
shown in her RCP and Future Teachers Club mem
bership.

A dependable member of the Student Council
a finalist in the National Merit Scholarship Pro
gram, a member of the Golf Club and team and a
regular participant in Royal Court Players presenta
tions is *Terry Pratt*--a most cooperative and worthy
student.

McCallum will long remember *Cynthia Holleyfield* as
the typical female athlete. Happy-go-lucky and friendly, too,
"Cindy" has been very sports-minded during her three years
at McCallum, having participated on the tennis team and
varied intramural teams. In between, she has "sandwiched"
work in the Blue Brigade and Y-Teens, which makes her an
outstanding choice for Who's Who.





Don Dean has won himself a place in Who's Who due to his exceptional brilliance in the vital fields of science and mathematics. Don is able to keep a very high scholastic average in these fields because "science just comes naturally." Friendly and unassuming, Don is a football "B-Teamer" and a member of Talents, Inc.

He may be found at practically all of McCallum's assemblies, dances, and outside school functions. McCallum's beautiful grounds can be attributed to Mr. Coer's time and effort during the summer months.

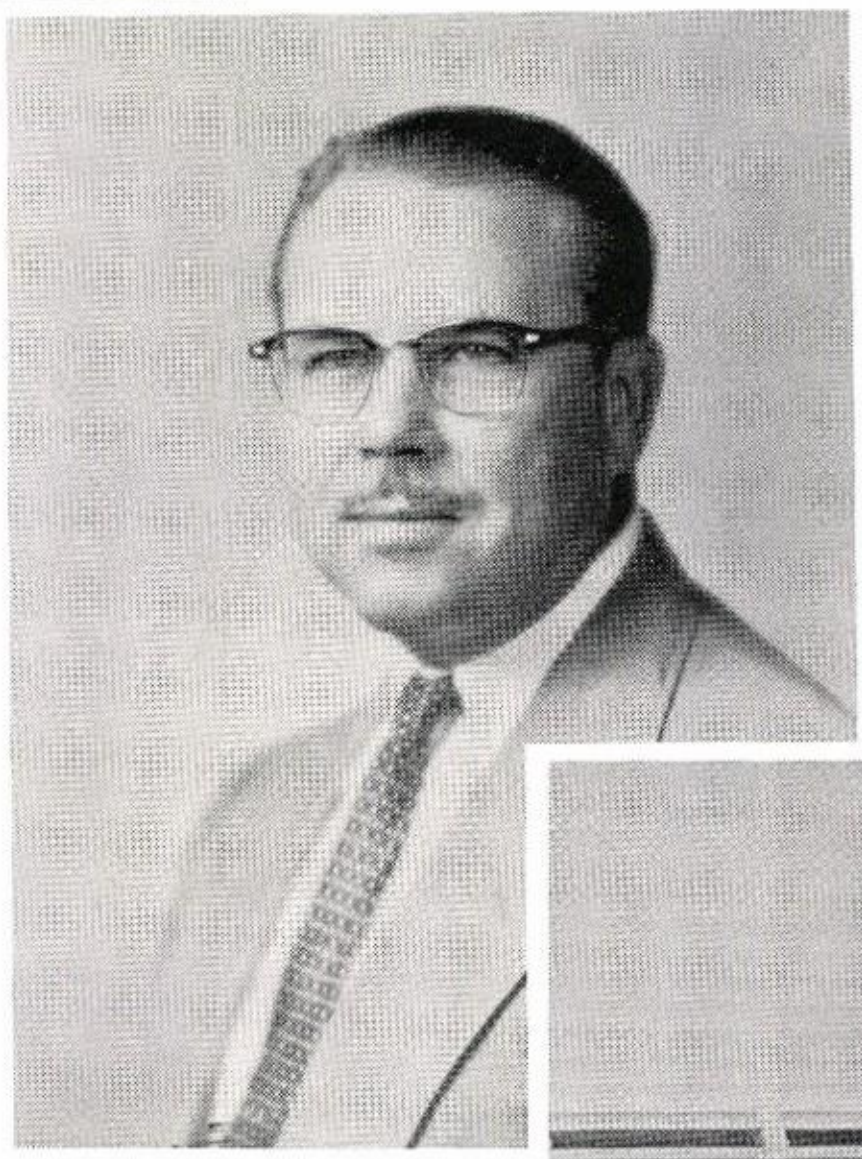
Mrs. Odelle Cody

Mrs. Odelle Cody is a great source of help with her words of advice, guidance, and vocational aid.



Mr. McKenzie gives aid and guidance to tenth and eleventh graders. Program planning, college guidance, and student problems take up much of his time. In addition to this he finds time to chaperone on bus trips.

Taking time out on Thanksgiving to discuss the pregraduation activities are the senior class officers: vice-president, *Wayne Droshe;* reporter, *Sam Kinch;* sergeant at arms, *Jimmy Brown;* president, *Mauritz Soderlund;* and secretary-treasurer, *Marisue Schwartz.*

12B

Looking forward to mid-term graduation are the 12B class officers. They are *Marion Thiem*, president; *Sam Spangler*, vice-president; *Stanley Shelnutt*, treasurer; *Butch Martin*, secretary; *Jerry Jones*, sergeant at arms; and *Skipper Conrad*, reporter.

CLASS OFFICERS

January 29 was the end of the high school lives of all the 12B's. Each now has gone his separate way--to work, to school, or to a new home perhaps many miles away--but they will never forget their high school career, the friends they've made, the times they've had, and the experiences they've gained. They have left their mark in McCallum's annals and will be remembered in McCallum's hall.

BB, Band Named

Sponsored by Mrs. Frances Brougher, Mc Callum's Blue Brigade has brought many honors to our school and city. Among these honors is the Best Opponent Award presented to the band and Blue Brigade by Temple High School for their halftime performance in Temple.

Among their many service projects were the selling of poppies for the VFW, helping the teachers with pre-school registration, and

At back to school night, the Blue Brigade was on hand to help once more. Here *Ginger Mayfield, Surrenden Hill, Becky Lee,* and *Karen Frank* hand *Mrs. Goodman* and *Mrs. Moehlman* papers that contain useful information.

The Blue Brigade initiation was quite a mixture of hoboes and beautiful girls.

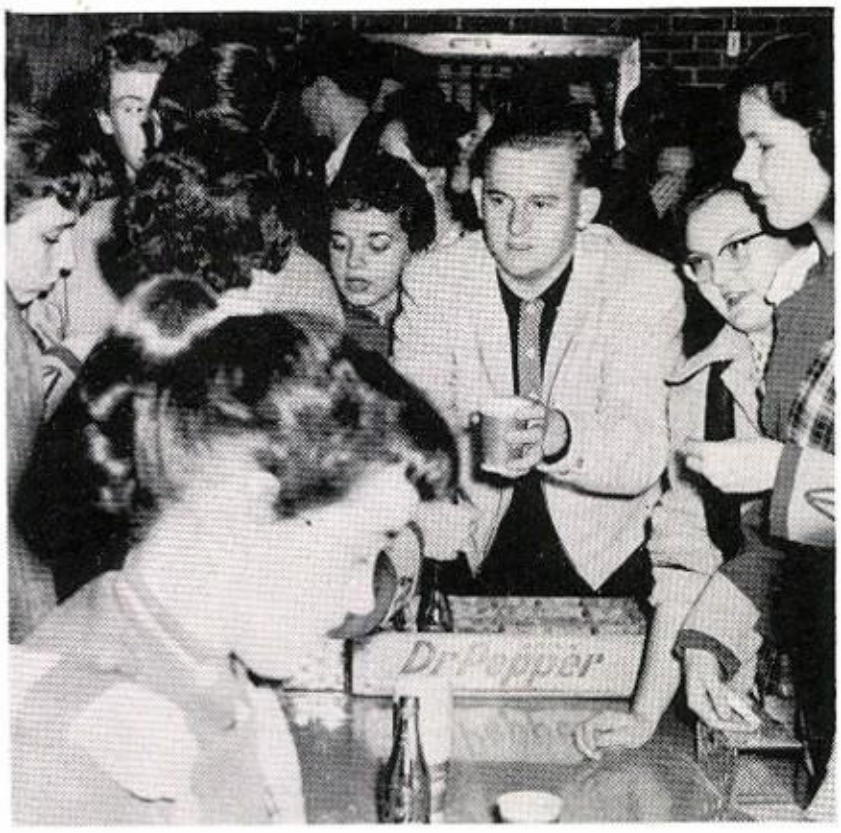
The Blue Brigade takes time off every now and then to enjoy themselves. *Judy McCracken, Jo Ann Meyer,* and *Peggy Randolph* help serve the band members at the annual Band and Blue Brigade before-game party.

Decorating for the Blue Brigade Formal, "Fascination", was quite a job as *Marla Turner, Brenda Polsky,* and *Joan Borden* found out.

Best Opponent'

nering at back-to-school night.
The traditional Blue Brigade Formal had as theme this year "Fascination." For this af- r the cafetorium was transformed into a ncers' paradise. A huge kissing ball was spended from the ceiling reflecting the other corations of the cafetorium. As the clock uck twelve it brought to a close another ccess in Blue Brigade history.

Long before the other students of McCallum started thinking about school, the Blue Brigade was at school every morning at 6:30 marching and getting ready for their halftime shows. As September 9 drew nearer, the Blue Brigade was at school helping the teachers prepare for another long term. *Beulah Fritsche* and *Judy Cartwright* help by filling out program cards.



Another one of the Blue Brigade's money making projects is selling cold drinks during the halftime at the basketball games. *Martha Godbey*, one of the salesgirls, illustrates the industriousness that won her the service award.

One of the many money raising projects of the Blue Brigade is selling streamers during football season. It seems as though *Carol Moore* is the only one who sees the photographer but she is still doing a fine job of selling streamers to *Kathie Claire*, *Sylvia Higginbothom*, and *Charles Betts*.

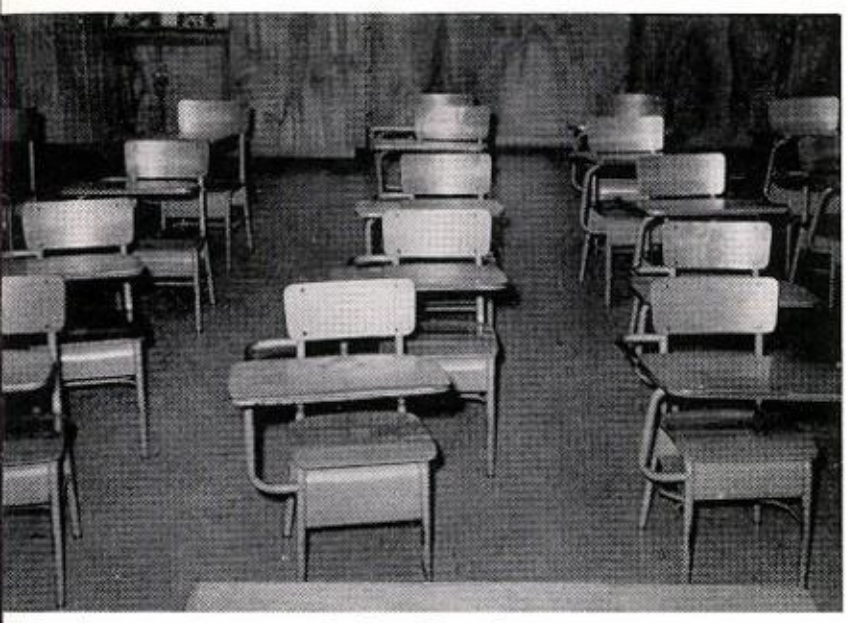
Studious DE Class Works Long Hours

The Distributive Education Club is composed of future businessmen and women. It is hard enough for most of us to get up and get to school by 8:30 in the morning, but these industrious young people must be at school by 7:30 for their distributive education class. Not only must they arrive at school ecrlier, but also they work at various business establishments several hours after the rest of us are already out of school. For their work out of school from 12 o' clock on, they receive the two credits that normally would have been earned in school.



This is a picture of the Distributive Education room after noon. By this time each day, the students of D. E. are on their way to work.

Forward-looking FFA Learns Farm Methods

The Future Farmers of America are the agricultural experts of tomorrow. They train themselves to be excellent farmers and ranchers during their class periods while they work on projects for the annual Austin Fat Stock Show. As well as learning about agricultural procedures, the boys greatly enjoy working with their animals, and they often see the results of their labors materialize in the form of ribbons and trophies. Their pride in receiving these prizes is shared by a sweetheart and a queen, whom they elect each year.

The officers of the F. F. A. encourage the other members to work at their projects. They are Karen Lambert, F. F. A. Because the action is swift, basketball demands and develops a high degree of muscular coordination and skill. It emphasizes cooperation because teamwork is an essential element.

One of the purposes of the Basketball Club is to provide extra time for discussion and work on details of the game. Led by the club sponsor, Mr. Frank Rundell, the members discuss intricate plays and maneuvers important in competition. As part of their program this year, the Pan-Amers gave a Christmas party, complete with Christmas tree and presents, to a group of small Mexican children at their school. The club's main project is a trip to Monterrey, Mexico. To accomplish this, the Pan-Amers have been selling donuts to the starving students at the end of the school day.

Talents, Inc. Spreads Cheer

McCallum's largest club, and perhaps its most active, is Talents Incorporated. This club, which is one of the first organized at McCallum, has a very worthwhile purpose. This purpose, to which the members dedicate themselves, is the bringing of entertainment and enjoyment to as many people as possible. Performing this worthy task carries the members of the club all over Austin and, in fact, all over the state.

It must be very heart warming to see the light that comes to the faces of the less fortunate, such as the patients of the state hospital and veterans confined to a wheelchair, when a bit of joy in the form of entertainment is brought to them. This light has been witnessed many times by members of the Talents, Incorporated on numerous trips to the State Hospital, the State School, and various veterans' hospitals.

Not only does this busy club provide entertainment for the less fortunate, but it also performs at many school and civic activities. This year groups provided entertainment at school functions such as the faculty party, the Future Homemakers of America banquet, and many school dances. Assemblies, such as the Shoe Fund Assembly, are presented and the proceeds given to these worthwhile causes.

It should be noted that the members of this club work exceptionally hard to develop the talent that McCallum so enjoys. Each individual or group works out the talent for itself. Although Mrs. Ernestine Browning and Miss Georgia Lou West, the two sponsors, work diligently to polish the different acts, the original ideas and initial work is done by the students themselves.

The officers of Talents, Incorporated have a big job. They have to plan programs, get the talent together, and get the program rehearsed. These officers are **sitting:** Pattie Rippeteau, secretary; Lavada Dockens, pantomime chairman; Judy Stromquist, dancers chairman; and Angela Curlee, treasurer; **standing:** Jeff Rampy, singers chairman; Jerry Squyres, president; Merle Moden, musicians chairman; Chuck Joyce, vice-president; and Joe Salahi, stage crew chairman.
